Van Ness Avenue Bus Rapid Transit (BRT) Citizens Advisory Committee (CAC) Meeting 5

Date: 5:00 p.m., Tuesday, June 3rd, 2008

Location: 100 Van Ness Avenue, 26th Floor

5:00 1. Committee Meeting Call to Order

5:05 2. Adoption of Minutes of the March 4th, 2008 Meeting - ACTION *

5:10 3. Updates and Announcements – INFORMATION

The purpose of this item is to present an overview of technical and outreach work conducted since the last VN CAC meeting, and provide an updated VN CAC meeting schedule and tentative agenda items.

5:15 4. Transportation Performance Analysis Framework – ACTION *

The Transportation Performance Analysis Framework provides a summary of: 1) the types of performance measures that will be evaluated for motorized transportation as part of the EIR/EIS; 2) the set of models that will be used to provide those performance measures; and 3) the scenario and/or sensitivity tests that will be produced in addition to the basic alternatives. We are seeking the Committee's approval of the Transportation Performance Analysis Framework.

5:55 5. Introduction to the VISSIM Model – INFORMATION

One of three transportation modeling tools to be used to understand the benefits and impacts of BRT, the VISSIM model will microsimulate the movements of cars, transit vehicles, and pedestrians along Van Ness Avenue. The study team will update and expand the existing VISSIM model of Van Ness Avenue to support the EIR/EIS. The purpose of this item is to obtain input from the Committee on the expanded VISSIM study area and the performance measures to be obtained using VISSIM.

6:25 6. SFMTA Vehicle Selection Update – INFORMATION

Staff from the San Francisco Municipal Transportation Agency (SFMTA) staff will brief the VN CAC on BRT vehicle selection activities.

6:45 7. Elect 3 Rotating Moderators – ACTION

During this segment of the meeting, the committee will elect three (3) rotating moderators to preside over the next three VN CAC meetings.

8. Public Comment

7:00 9. Adjourn
