NOTICE OF TEMPORARY CLOSURE OF FOLSOM OFF-RAMP

beginning

SEPTEMBER 23, 2014

Beginning early morning on Tuesday, September 23, 2014, the portion of the Fremont and Folsom Street Off-Ramp from Westbound Interstate 80 in San Francisco leading to Folsom Street will be closed for approximately 6 months through March 2015. **The ramp leading to northbound Fremont Street will remain open throughout construction.**

The closure of the ramp is required to realign the off-ramp to create a new roadway configuration that will better balance the needs of pedestrians, bicyclists, vehicular traffic, trucks and transit vehicles.

The map on the opposite side of this flyer shows suggested alternate routes that may be used during the ramp closure.
