Construction Management/Inspection Services

Project Name: Yerba Buena Island West Side Bridges

Description: Construction Management/Inspection Services

Estimated Contract: \$6,500,000

Funding Source: Federal and State funds

Projected Goal: 12% DBE certified by CUCP

RFP Issuance: November 2016

Project Schedule: January 2017 to December 2019

Project Contact: Eric Cordoba, eric.cordoba@sfcta.org

Service Specialties: Full construction management and inspection, including survey staking and materials testing

Toll Systems Integration Services to Support the Development of YBI and TI

Project Name: Treasure Island Tolling

Description: Tolling System Integrator Services

Estimated Contract: \$5,000,000

Funding Source: Various, including Prop K, regional and federal funds

Projected Goal: To be determined

RFP Issuance: Winter 2016

Project Schedule: Summer 2017 – Spring 2019

Project Contact: Eric Cordoba, eric.cordoba@sfcta.org

Service Specialties: Tolling system integration

Transportation Authority DBE/LBE Program

It is the policy of the Transportation Authority that Disadvantaged Business Enterprise (DBE) and Local Business Enterprise (LBE) firms shall have the maximum feasible opportunity to participate in the performance of contracts financed in whole or in part with Transportation Authority funds.

DBE – Disadvantaged Business Enterprise

LBE – Local Business Enterprise

Transportation Authority DBE/LBE Program

- ▶ Develop a pool of qualified firms through certification
- ▶ Set goals for each contract
- ▶ Advertise and outreach
- ▶ Hold pre-proposal conferences
- ▶ Monitor participation

Transportation Authority Funding Type and Certifications

FUNDING TYPE	ACCEPTED CERTIFICATIONS
Federal	<ul style="list-style-type: none"> ▶ DBE from California Unified Certification Program (CUCP): dot.ca.gov/hq/bep/ucp.htm
State	<ul style="list-style-type: none"> ▶ DBE from CUCP ▶ SBE and/or DVBE from California Department of General Services (DGS): dgs.ca.gov/pd
Local	<ul style="list-style-type: none"> ▶ DBE from CUCP ▶ SBE and/or DVBE from DGS ▶ DBE and/or LBE from the Transportation Authority: sfcta.org/dbe ▶ LBE from City and County of San Francisco: sfgsa.org/index.aspx?page=6129

City and County of San Francisco
Contract Monitoring Division (CMD)
 Chapter 14B San Francisco Local Business Enterprise Certification & Compliance

Capital Programs and Construction Division
Requests for Proposals Projection
Construction Contracts
January 2016 – December 2016

Project No:	M697.2	Title:	33 Stanyan Reconstruction – Phase II
Division:	Capital Programs & Construction	Advertise Date:	February 2016
Location:	San Francisco	Estimated Contract Cost:	\$5.8 million
Description: Reconstruct aging OCS along 18 th Street from Castro Street to Mission, Valencia Street from 16 th Street to 17 th Street, and new OCS on Valencia Street from 17 th Street to 18 th Street.			

Project No:	M708.1	Title:	Rail Grinding
Division:	Capital Programs & Construction	Advertise Date:	March 2016
Location:	San Francisco	Estimated Contract Cost:	TBD
Description: Perform rail grinding to reduce both wheel wear on rolling stock and the likelihood of failure with welds, which are vulnerable to wheel impacts from cupping of the weld on the head of the rail.			

Project No:	M730.3	Title:	Muni Forward 5 Fulton Mid-Route
Division:	Capital Programs & Construction	Advertise Date:	March 2016
Location:	San Francisco	Estimated Contract Cost:	\$7.3 million
Description: The project limit is McAllister between Van Ness and Central, and Fulton between Central and Arguello. The scope includes transit and pedestrian bulbs, traffic signals, walk first treatments and TSP.			

Project No:	M542.1	Title:	Presidio ETI Bus Hoist Lifts
Division:	Capital Programs & Construction	Advertise Date:	March 2016
Location:	San Francisco	Estimated Contract Cost:	\$2.1 million
Description: Install two new surface-mounted parallelogram lifts at Muni's Presidio Maintenance Facility, removing and replacing garage doors, ADA up grades including restroom, curb ramps, striping and signage.			

Project No:	M773.2	Title:	ATCS Wiring Replacement - Van Ness Only
Division:	Capital Programs & Construction	Advertise Date:	April 2016
Location:	San Francisco	Estimated Contract Cost:	TBD
Description: Replace wiring for the ATCS, Centralized Train Control, switch machines and signal systems.			

Project No:	M765.1	Title:	Kirkland Underground Storage Tanks Replacement
Division:	Capital Programs & Construction	Advertise Date:	April 2016
Location:	San Francisco	Estimated Contract Cost:	\$1.4 million
Description: Replace fuel storage tanks at three SFMTA maintenance facilities.			

Project No:	M775.1	Title:	Fall Protection System & Disconnect Switch
Division:	Capital Programs & Construction	Advertise Date:	March 2016
Location:	San Francisco	Estimated Contract Cost:	\$8.0 million
Description: The project is to design and construct various types of fall protection system (FPS) at eight (8) SFMTA sites.			

Project No:	M719.1	Title:	Cable Car Drive Reduction Gearbox Replacement
Division:	Capital Programs & Construction	Advertise Date:	August 2016
Location:	San Francisco	Estimated Contract Cost:	TBD
Description: Remove and rebuild all Cable Car Barn Propulsion Gear Boxes.			

Project No: **M735.1** Title: **UCSF Platform Extension and Crossover Track**
 Division: **Capital Programs & Construction** Advertise Date: **September 2016**
 Location: **San Francisco** Estimated Contract Cost: **TBD**

Description: This project will extend the UCSF (NB) Platform by approximately 160 feet and potentially the SB platform. The work will require matching of existing platform finishes, railing and lights; replacement of the trackway due to existing trackway grades and platform; modification of OCS tangent span, feeder span, poles and adjustments.

Project No: **M779.1** Title: **Rehab of 1508 Bancroft**
 Division: **Capital Programs & Construction** Advertise Date: **October 2016**
 Location: **San Francisco** Estimated Contract Cost: **TBD**

Description: Install new elevators and upgrade the heating and cooling system at the 1508 Bancroft maintenance facility. The project includes installation of two new freight elevators with five times the existing capacity, ventilation of a second-floor workspace area, and new heating and cooling for workspaces in the building.

Note: Please note that the projected bid dates are tentative advertisement dates and subjected to change. Peninsula Corridor Joint Powers Board (Caltrain) DBE Opportunities

SFCTA Outreach Event

2/2/2016

Caltrain Overview

- 12% Overall Goal for DBE utilization
- Sets contract-specific DBE goals based on project funding and annual DBE utilization
- Recognizes DBE certification from the California Unified Certification Program (CUCP)
- All procurements are posted at <http://www.smctd.com/BidsContracts.html>

List of Upcoming Projects

- ROW Fencing
- South San Francisco Improvements
- Santa Clara Station South Bound Platform Extension
- CCTV Improvements @ Redwood City
- Sunnyvale Station Platform Rehab
- Los Gatos Creek Bridge Replacement

Right Of Way Fencing Project

Furnish and install fencing along the Caltrain, SamTrans, and San Mateo County Transportation Authority rights-of-way

- Construction and installation of various types of fences and gates (includes site clearing and grubbing, demolition/removal of existing fencing)
- Contract Term = One base year with three year options
- Bids Due = February 17, 2016
- Estimated Cost = \$6 million

South San Francisco Station Improvements Project

Project will replace the existing platform with a new center boarding platform connecting to a new pedestrian underpass (includes track work, signal work, a new 700 foot center board platform with new amenities, new shuttle drop-off, and connectivity to a new pedestrian underpass from the platform to Grand Avenue/Executive Drive)

- Projected Advertisement: April 2016
- Projected Award: October 2016
- Estimated Cost: \$49 million

Santa Clara Station South Bound Platform Extension Project

Extend the MT3 platform to alleviate the narrow passage and relocate the model railroad car

- Projected Advertisement: March 2016
- Projected Award: July 2016
- Estimated Cost = \$1 million

CCTV Improvements @ Redwood City Project

Labor and materials required for the installation of new CCTV system improvements

- Include new cameras, recording devices, and support infrastructure (camera supports, wiring, etc.)
- Projected Advertisement: June 2016
- Projected Award: December 2016
- Estimated Cost: \$100,000

Sunnyvale Station Platform Rehabilitation Project

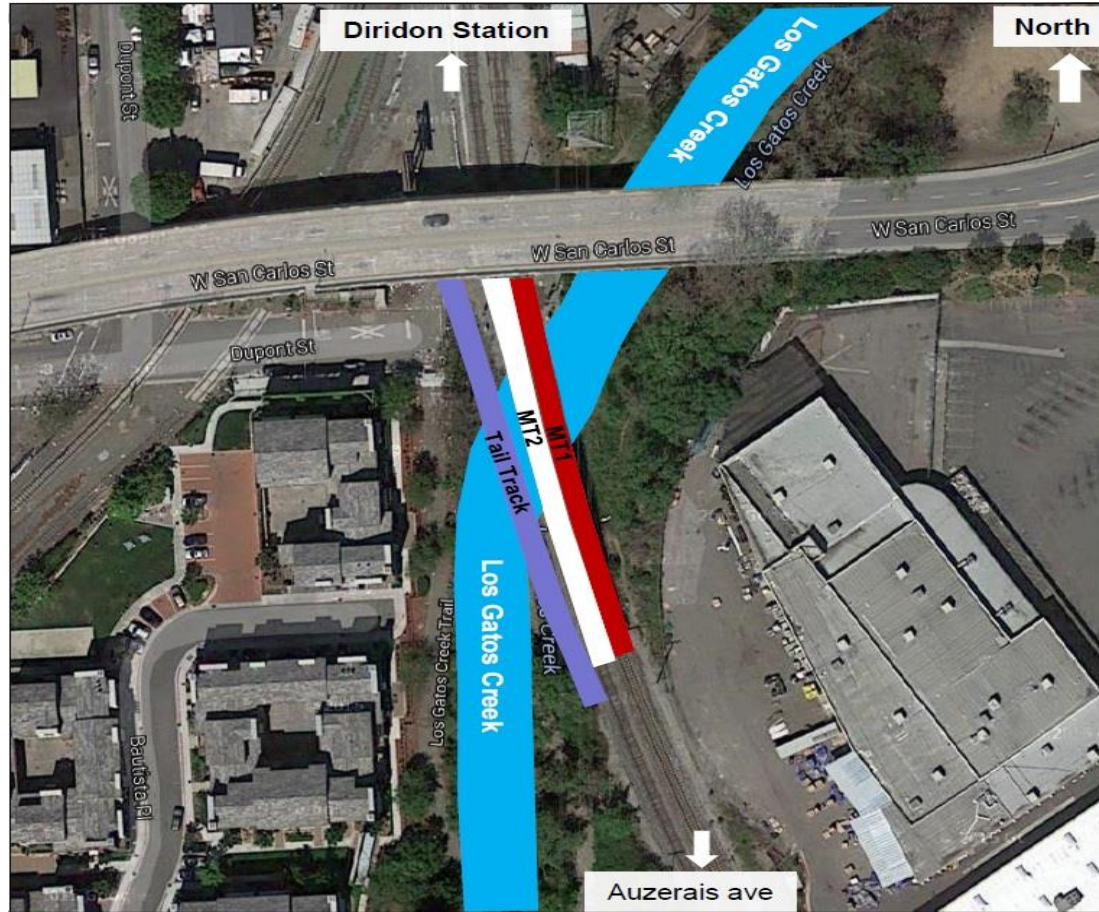

Reconstruct a portion of both existing platforms

- Projected Advertisement: February 2016
- Projected Award: July 2016
- Estimated Cost = \$1.3 million

Los Gatos Creek Bridge Replacement Project

Remove the Los Gatos Creek Bridges MT1 MT2, including abutments and replace with new railroad bridges in the existing footprint and a tail track to the west of MT2 bridge

- The project replaces the existing two-track bridge, over the Los Gatos creek in San Jose with three single track bridges (a third track is required as a shoofly to allow for single tracking during the demolition and construction of MT1 and MT2)
- Construction estimated to start in fall of 2016
- Estimated Cost = \$31 million

Accessing Bidding/Contracting Information

The screenshot shows the Caltrain website in Internet Explorer. The browser's address bar displays <http://www.caltrain.com/>. The page title is "caltrain.com - Internet Explorer". The navigation menu includes links for "home", "site map", "bids/contracts", "jobs", and "contact". A search box is located to the right of the navigation menu. The main content area features a large banner image of a Caltrain train. Below the banner are several sections: "News" with articles about construction and maintenance, "Real-time Departures" with a station selection dropdown, "Highlights" with links to timetables and schedules, and a footer with icons for "Safety & Security", "Caltrain Modernization Program", "Peninsula Moves! The Caltrain Blog", "Clipper is here", "Commuter Calculator", and "Track the Fun & Savings".

VENDOR CONTRACTOR REGISTRATION

To make the most of this website, you must register your company as a Vendor/Contractor and select at least one commodity code. Registered Vendors/Contractors will receive email notifications about solicitations and bids related to the Vendor's/Contractor's chosen areas of expertise. In addition, registered Vendors/Contractors will receive email notifications of changes to current solicitations and bids.

To register, click on the link below

<http://www.publicpurchase.com/gems/samtrans.ca/buyer/public/home>

Approval typically takes two business days. Once approved, you will receive a confirming email notification. There is no cost to register as a Vendor/Contractor with SamTrans.

WHY YOU SHOULD REGISTER AS A VENDOR/CONTRACTOR

A firm or individual who registers as a Vendor/Contractor will receive email notification of solicitations and bids for SamTrans, Caltrain and Transportation Authority projects/purchase requests. You will be asked to enter information about your firm. In addition, you will be asked to choose a password (your email address will serve as the user name) and identify the areas of expertise for which you wish to receive notifications about solicitations and bids. You may choose as many expertise codes as desired.
