A. Cost Eligibility

Cost eligibility shall be determined by the TRANSPORTATION AUTHORITY’S Strategic Plan policies. All costs incurred by RECIPIENT prior to the DATE OF EXECUTION of this AGREEMENT shall be ineligible for reimbursement by the TRANSPORTATION AUTHORITY, except in the following situations:

1. Where the TRANSPORTATION AUTHORITY has previously approved the scope of a project and that scope has incurred increased costs; and

2. Capital costs of a multi-year project to which the TRANSPORTATION AUTHORITY has made a formal commitment in a resolution for out-year costs, although the funds have not been allocated.

While these costs shall be eligible for reimbursement in the situations cited above, the timing and amount of reimbursement will be subject to an TRANSPORTATION AUTHORITY allocation, based on available revenues, other anticipated project requests, and project category limits established in the EXPENDITURE PLAN. In the performance of its obligations pursuant to this AGREEMENT, the RECIPIENT shall keep itself fully informed of the federal, state and local laws, ordinances and regulations in any manner affecting the performance of this Agreement, and must at all times comply with such laws, ordinances, and regulations as they may be amended from time to time.

The PROJECT budget may be revised from time to time through the submission of a revised budget to the TRANSPORTATION AUTHORITY.

The RECIPIENT may not make any changes to the scope of the PROJECT without prior written approval of the TRANSPORTATION AUTHORITY. Approval by the TRANSPORTATION AUTHORITY of a change of scope shall not constitute an increase in the GRANT amount unless additional funds are specifically provided.

E. Third Party Contract Audits

The TRANSPORTATION AUTHORITY reserves the right to request an audit of other third party contracts for any reason. If the RECIPIENT is subject to third party financial audit requirements imposed by another funding source, copies of audits performed in fulfillment of such requirements shall be provided to the TRANSPORTATION AUTHORITY. If the RECIPIENT is an agency, department or other subdivision of the City and County of San Francisco, third party contracts include those contractual agreements entered into by the RECIPIENT and any other City and County of San Francisco entity.

G. Project Oversight

The RECIPIENT shall cooperate with the TRANSPORTATION AUTHORITY'S project oversight team and shall provide any requested PROJECT information.

H. Attribution and Signage

If any portion of GRANT funds is used for production of reports, acknowledgment of the TRANSPORTATION AUTHORITY'S role shall be included in the documents. For construction projects, RECIPIENT shall, within 30 days of the date of initiation of fieldwork, submit to the TRANSPORTATION AUTHORITY as a jpeg or TIF file, a photograph documenting compliance with the Proposition AA attribution and format requirements herein contained. For non-construction capital purchases funded by any portion of GRANT funds, RECIPIENT shall affix permanent signage identifying the TRANSPORTATION AUTHORITY and the Prop AA Vehicle Registration Fees as a funding source according to the standard format. RECIPIENT shall demonstrate
compliance with attribution and signage requirements as a mandatory condition for authorization of Proposition AA reimbursement for project expenses. RECIPIENT shall submit a request for approval from the TRANSPORTATION AUTHORITY for any deviation from the specified attribution and signage described below. Exceptions may be made at the sole discretion of the Transportation Authority.

The RECIPIENT shall undertake all environmental mitigation measures that may be identified as commitments in applicable documents (such as environmental assessments, environmental impact statements and reports, and memoranda of agreement), and comply with any conditions imposed as a part of a finding of no significant impact or a record of decision. All such mitigation measures are
incorporated in this AGREEMENT by reference.

J. **Timely-Use-of-Funds Compliance**

The RECIPIENT shall endeavor to comply with timely-use-of-funds requirements specified in the STRATEGIC PLAN policies, which require implementation of the PROJECT phase to begin within 12 months of the date of allocation. Implementation includes issuance of a purchase order to secure project components, award of a consultant contract, or encumbrance of staff labor charges by the project sponsor. If the PROJECT does not begin implementation within 12 months of the date of allocation, SPONSORS may request a new timely-use-of-funds deadline with a new PROJECT schedule, subject to the approval of TRANSPORTATION AUTHORITY staff. If denied, RECIPIENT may request that the Transportation Authority Board determine if funds should be deobligated and programmed through a competitive call for projects in accordance with STRATEGIC PLAN policies.

III. **FINANCES**

A. **Documentation of Project Costs**

Such PROJECT documents shall be clearly identified, readily accessible, and, to the extent feasible, kept separate and apart from all other similar documents not pertaining to the PROJECT.

C. **Reimbursements**

Payment shall be made to the RECIPIENT for costs reimbursable under the terms of this AGREEMENT and incurred prior to the termination date of this AGREEMENT. Payment to RECIPIENT of the GRANT shall be upon written approval by the TRANSPORTATION AUTHORITY, upon submittal by the RECIPIENT of appropriate support documentation and identification of expenses incurred. Reimbursement shall be made on a quarterly basis. The TRANSPORTATION AUTHORITY, in consultation with the RECIPIENT, may provide an alternate reimbursement schedule or quarterly calendar to the grantee. However, RECIPIENT shall submit fourth (4th) quarter reimbursement requests or an expenditure accrual schedule in time to meet the Transportation Authority’s year end closing process. Except for the grant closeout or end of fiscal year billing, the minimum reimbursement request amount shall be $5,000. In the case of grant closeout, the TRANSPORTATION AUTHORITY reserves the right to retain up to $5,000 or 10% of the GRANT amount, whichever is less, until all project
requirements, including special conditions and deliverables, have been met, and closeout documentation, including proof of attribution and project completion, have been submitted and accepted.

Reimbursements shall not exceed the schedule shown in the PROPOSITION AA REQUEST TABLE. RECIPIENT may make a request for exceptions in writing. Exceptions may be made at the sole discretion of the Transportation Authority.

Each reimbursement request shall include RECIPIENT'S certification that the amounts sought are only for project elements included in the Allocation Request Form, and that RECIPIENT is in compliance with the TRANSPORTATION AUTHORITY'S requirements under Section IV. E. Proceeds from Sale or Liquidation of Capital Assets Purchased with GRANT

If RECIPIENT uses any portion of the GRANT to purchase capital assets, RECIPIENT shall return a portion of the proceeds from the sale or liquidation of capital assets to the TRANSPORTATION AUTHORITY, within 30 days of receipt of the proceeds. RECIPIENT shall return to the TRANSPORTATION AUTHORITY that proportion of the net sales proceeds that is equal to the percentage of the original purchase price that consisted of GRANT funds. The TRANSPORTATION AUTHORITY will program any returned funds in accordance with Strategic Plan policies.

F. Return of Project Cost Savings

If the actual costs of the PROJECT are less than the amount budgeted or the amount advanced by the TRANSPORTATION AUTHORITY, RECIPIENT shall return to the TRANSPORTATION AUTHORITY that proportion of project cost savings that is equal to the percentage of the original project budget that consisted of Prop AA grant funds. The Transportation Authority will program any returned funds in accordance with Strategic Plan policies.

These project closeout documents shall be submitted under the signature of staff authorized to execute the AGREEMENT.

Any failure to make reasonable progress, inconsistency with the EXPENDITURE PLAN or Proposition AA Vehicle Registration Fee Program Allocation Request Form, unauthorized use of GRANT funds as specified in this AGREEMENT, or other violation of the AGREEMENT that significantly endangers substantial performance of the PROJECT shall be deemed to be a breach of this AGREEMENT and cause for termination.

B. Correction of Breach

With respect to any breach, which is reasonably capable of being cured, the RECIPIENT shall have thirty (30) days from the date of notice of breach to initiate steps to cure. If the RECIPIENT diligently pursues cure, such RECIPIENT shall be allowed a reasonable time to cure, not to exceed sixty (60) days from the date of the initial notice, unless a further extension is granted in writing by the TRANSPORTATION AUTHORITY.

C. Obligations

XIII. EXPENSES

Each party shall be solely responsible for and shall bear all of its own respective legal expenses in connection with any dispute arising out of this AGREEMENT and the transactions hereby contemplated. RECIPIENT may not use GRANT funds, or other TRANSPORTATION AUTHORITY programmed funds for the aforementioned purpose.

XIV. SEVERABILITY

Should any part of this AGREEMENT be declared unconstitutional, invalid, or beyond the authority of either party to enter into or carry out, such decisions shall not affect the validity of the remainder of this AGREEMENT, which shall continue in full force and effect provided that the remainder of this AGREEMENT can, absent the excised portion, be reasonably interpreted to give effect to the intentions of the parties.
