DISCUSSION

Background.

We contract with City departments and outside firms for certain specialized professional services in areas where factors like costs, work volume or the degree of specialization required would not justify

Agenda Item 10

the use of in-house staff. Currently the Transportation Authority utilizes the City Attorney's Office for certain inter-agency agreements and project litigation, and utilizes Nixon Peabody LLP and Squire Sanders & Dempsey LLP for bond counsel. We currently contract with Nossaman and Wendel Rosen for specialized transportation legal counsel services. The breakdown of past assignments to these firms are included as Attachment 2. Our policy is to competitively re-bid professional services contracts after five years. We propose to contract with multiple consultant firms with whom the Transportation Authority may call upon on a task order basis, which is intended to increase competition and allow for improved responsiveness (e.g., during times of peak demand).

The RFQ scope of services, included as Attachment 1, describes example tasks types that are representative of the needs in the coming three years under this contract, which are also listed below.

1. Parliamentary Procedure and Rules for Transportation Authority Board and Citizens Advisory Committee
2. Administration
3. Financial
4. Sales Tax (Proposition K) and Vehicle Registration Fee (Proposition AA) Administration
5. Congestion Management Program and Transportation Fund for Clean Air Program
6. Planning and Project Development Support (e.g. Lombard Reservation System, Downtown Congestion Pricing, and U.S. 101/I-280 Managed Lanes)
7. Legislation
8. Litigation
9. General Advice
10. Miscellaneous

Procurement Process.

The Transportation Authority and TIMMA issued a joint RFQ for on-call general legal counsel services on May 7, 2019. Although a pre-proposal conference was not held, respondents were able to submit questions regarding the RFQ and receive responses by May 17. We took steps to encourage participation from small, local, and disadvantaged business enterprises, including advertising in five local newspapers: the San Francisco Chronicle, San Francisco Examiner, the Small Business Exchange, Nichi Bei, and the San Francisco Bayview. We also distributed the RFQ and questions and answers to certified small, local, and disadvantaged businesses; Bay Area and cultural chambers of commerce; and small business councils.

By the due date of June 6, 2019, we received six Statements of Qualifications in response to the RFQ. A selection panel comprised of Transportation Authority staff evaluated the Statements of Qualifications based on the criteria identified in the RFQ, including the proposer's understanding of project objectives, technical and management approach, and capabilities and experience. The panel selected three firms to interview on June 19, 2019. Based on the competitive process defined in the RFQ, the panel recommends awarding contracts to the three highest-ranked firms: Nossaman, Meyers Nave, and Wendel Rosen. The three highest-ranked firms provide a strong set of skills, specialists, and relevant experience. Both Nossaman and Wendel Rosen build upon proven track records of performance, while Meyers Nave demonstrated a strong set of qualifications and management approach, in particular regarding their experience with managed lanes projects.

Agenda Item 10

The selection panel recommends that the Transportation Authority and TIMMA both award contracts to the same three firms, as both agencies share legal resources. Awarding contracts to the same on-call legal firms will enhance staff efficiency in issuing task orders and supporting project needs. The contract award for TIMMA's portion of the contract will be considered by the TIMMA Committee at its next scheduled meeting in July.

We plan to use federal funds to cover a portion of this contract and have adhered to federal procurement regulations. Due to the specialized nature of the requested services we established a Disadvantaged Business Enterprise (DBE) goal of 0% for this contract based on recommendation from the California Department of Transportation, and accepted certifications by the California Unified Certification Program. Nossaman has made a commitment to exceed the DBE goal and includes 10% DBE participation from San Francisco-based, Asian-American-owned firm Law Offices of Alexis S.M. Chiu. Meyers Nave and Wendel Rosen do not include any subconsultants.

The selected consultant firms will remain eligible for consideration for task order negotiation on an as-needed basis for the initial three-year term, plus two optional one-year extensions. While the Transportation Authority intends to engage pre-qualified firms based on capabilities, experience, and availability, no selected team is guaranteed a task order.

FINANCIAL IMPACT

The scope of work described in the RFQ is anticipated in the Transportation Authority's proposed Fiscal Year 2019/20 work program and budget through relevant projects and studies. Budget for these activities will be funded by a combination of federal and/or state grants from Caltrans and the Metropolitan Transportation Commission, local agency contributions, and Prop K sales tax funds. The first year's activities are included in the Transportation Authority's proposed Fiscal Year 2019/20 budget and sufficient funds will be included in future fiscal year budgets to cover the cost of these contracts.

CAC POSITION

The CAC will be briefed on this item at its June 26, 2019 meeting, and unanimously adopted a motion of support for the staff recommendation.
