

BD100819 RESOLUTION NO. 20-14

RESOLUTION ALLOCATING \$24,253,024, WITH CONDITIONS, AND APPROPRIATING \$49,724 IN PROP K SALES TAX FUNDS FOR 22 REQUESTS

WHEREAS, The Transportation Authority received twenty-three requests for a total of \$25,002,748 in Prop K local transportation sales tax funds, as summarized in Attachments 1 and 2 and detailed in the enclosed allocation request forms; and

WHEREAS, The requests seek funds from the following Prop K Expenditure Plan categories: Caltrain Capital Improvement Program, Facilities - Caltrain, Vehicles - Caltrain, Facilities - Caltrain, Guideways - Caltrain, Guideways - Undesignated, Paratransit, New Signals & Signs, Signals & Signs, Traffic Calming, Bicycle Circulation/ Safety, TDM/ Parking Management and Transportation/ Land Use Coordination; and

WHEREAS, As required by the voter-approved Expenditure Plans, the Transportation Authority Board has adopted a Prop K 5-Year Prioritization Program (5YPP) for each of the aforementioned Expenditure Plan programmatic categories; and

WHEREAS, The adopted Prop K Strategic plan has funds programmed to named projects such as Paratransit, which have no 5YPP requirement; and

WHEREAS, Twenty-one of the twenty-three requests are consistent with the relevant strategic plans and/or 5YPPs for their respective categories; and

WHEREAS, The San Francisco Municipal Transportation Agency's (SFMTA's) request for Bayview Community Based Transportation Plan - Additional Funds and the proposed appropriation for the Lombard Crooked Street Paid Reservation System [NTIP Planning, Capital] require 5YPP amendments as summarized in Attachment 3 and detailed in the enclosed allocation request forms; and

WHEREAS, After reviewing the requests, Transportation Authority staff recommended allocating a total of \$24,253,024, with conditions, and appropriating \$749,724 in Prop K sales tax funds for 23 requests, as described in Attachment 3 and detailed in the enclosed allocation request forms, which include staff recommendations for Prop K allocation amounts, required deliverables, timely use of funds requirements, special conditions, and Fiscal Year Cash Flow Distribution Schedules; and

WHEREAS, There are sufficient funds in the Capital Expenditures line item of the Transportation Authority's approved Fiscal Year 2019/20 budget to cover the proposed

BD100819 RESOLUTION NO. 20-14

actions; and

WHEREAS, At its September 25, 2019 meeting, the Citizens Advisory Committee was briefed on the subject request and after some discussion, unanimously approved a motion of support for an amended staff recommendation that conditioned the funds for the SFMTA's Bike to Work Day 2020 request upon a requirement that energizer stations be equitably distributed across the City; and

WHEREAS, Transportation Authority and SFMTA staff worked with the San Francisco Bicycle Coalition (SFBC), which organizes Bike to Work Day, to develop an appropriate special condition and/or deliverables that correspond to the Citizen Advisory Committee's recommendation and presented them at the October 8, 2019 Transportation Authority Board meeting along with the other aforementioned requests; and

WHEREAS, After some discussion, the Transportation Authority Board approved an amended staff recommendation that added a special condition to the SFMTA's Bike to Work Day project requiring that the SFBC include one or more energizer stations in each supervisorial district; and

WHEREAS, On October 12 Governor Newsom vetoed Assembly Bill 1605 (Ting), which would have enabled the Board of Supervisors to establish a pilot paid reservation system for managing automobile congestion on the 1000 block of Lombard Street; and thus, staff has withdrawn the Lombard Crooked Street Paid Reservation System appropriation request for \$700,000 as it was contingent upon AB 1605 becoming law; now, therefore let it be

RESOLVED, That the Transportation Authority hereby amends the Prop K Traffic Calming 5YPP, as detailed in the enclosed allocation request form; and be it further

RESOLVED, That the Transportation Authority hereby allocates \$24,253,024, with conditions, and appropriates \$49,724 in Prop K sales tax funds for 22 requests, as summarized in Attachment 3 and detailed in the enclosed allocation request forms; and be it further

RESOLVED, That the Transportation Authority finds the allocation of these funds to be in conformance with the priorities, policies, funding levels, and prioritization methodologies established in the Prop K Expenditure Plan, the Prop K Strategic Plan, and the relevant 5YPPs; and be it further

BD100819 RESOLUTION NO. 20-14

RESOLVED, That the Transportation Authority hereby authorizes the actual expenditure (cash reimbursement) of funds for these activities to take place subject to the Fiscal Year Cash Flow Distribution Schedules detailed in the enclosed allocation request forms; and be it further

RESOLVED, That the Capital Expenditures line item for subsequent fiscal year annual budgets shall reflect the maximum reimbursement schedule amounts adopted and the Transportation Authority does not guarantee reimbursement levels higher than those adopted; and be it further

RESOLVED, That as a condition of this authorization for expenditure, the Executive Director shall impose such terms and conditions as are necessary for the project sponsors to comply with applicable law and adopted Transportation Authority policies and execute Standard Grant Agreements to that effect; and be it further

RESOLVED, That as a condition of this authorization for expenditure, the project sponsors shall provide the Transportation Authority with any other information it may request regarding the use of the funds hereby authorized; and be it further

RESOLVED, That the Capital Improvement Program of the Congestion Management Program, the Prop K Strategic Plan and the relevant 5YPPs are hereby amended, as appropriate.

Attachment 1: Summary of Requests Received

Footnotes

¹ "EP Line No./Category" is either the Prop K Expenditure Plan line number referenced in the 2019 Prop K Strategic Plan or the Prop AA Expenditure Plan category referenced in the 2017 Prop AA Strategic Plan, including: Street Repair and Reconstruction (Street), Pedestrian Safety (Ped), and Transit Reliability and Mobility Improvements (Transit).

² Acronyms: PCJPB (Peninsula Corridor Joint Powers Board); SFCTA (San Francisco County Transportation Authority); SFMTA (San Francisco Municipal Transportation Agency)

³ "Expected Leveraging By EP Line" is calculated by dividing the total non-Prop K funds expected to be available for a given Prop K Expenditure Plan line item (e.g. Pedestrian Circulation and Safety) by the total expected funding for that Prop K Expenditure Plan line item over the 30-year Expenditure Plan period. For example, expected leveraging of 90% indicates that on average non-Prop K funds should cover 90% of the total costs for all projects in that category, and Prop K should cover only 10%.

⁴ "Actual Leveraging by Project Phase" is calculated by dividing the total non-Prop K or non-Prop AA funds in the funding plan by the total cost for the requested phase or phases. If the percentage in the "Actual Leveraging" column is lower than in the "Expected Leveraging" column, the request (indicated by yellow highlighting) is leveraging fewer non-Prop K dollars than assumed in the Expenditure Plan. A project that is well leveraged overall may have lower-than-expected leveraging for an individual or partial phase.

EP Line No./ Category	Project Sponsor	Project Name	Prop K Funds Requested	Project Description
7	РСЈРВ	Automatic Passenger Counters at 4th and King Station	\$400,000	Install automatic passenger counters at the platform doors at Caltrain's 4th and King Station. The counters will provide Caltrain with more accurate passenger counts to enable better long-range planning and forecasting.
7	РСЈРВ	Resolve Speed and Route Signaling Conflicts	\$500,000	Develop and implement a solution to resolve potential conflicts on Caltrain's railroad signal displays between its speed signaling protocols and its route signaling protocols. The Federal Railroad Administration has required Caltrain to resolve any conflict to prevent possible confusion for train engineers.
7	РСЈРВ	Next Generation Visual Message Signs and Predictive Arrival and Departure System	\$500,000	Conceptual design of the next generation visual message signs and a predictive arrival/ departure system for Caltrain stations.
7	РСЈРВ	Caltrain Station Infrastructure Refresh/Upgrade	\$464,506	This project will refresh network equipment at the end of its useful life to improve Caltrain's wayside data network system reliability. Project includes internet router replacements at an estimated 27 stations, including Fourth and King and 22nd Street.
7, 20P	РСЈРВ	Bayshore Station Overpass Pedestrian Bridge Rehabilitation	\$1,053,506	Correct the structural issues and repaint the pedestrian bridge to bring it into a state of good repair.
17P	РСЈРВ	Bombardier Cars State of Good Repair	\$2,100,000	Perform capital maintenance on Caltrain's Bombardier Cars to address Caltrain's increasing rate of fleet failures. The current fleet of passenger cars must be maintained in operational condition until the transition to all-electrical service has been finalized.
17P	РСЈРВ	F40 Locomotive State of Good Repair	\$150,000	Perform capital maintenance on Caltrain's F40 diesel locomotives to address Caltrain's increasing rate of fleet failures. The locomotive fleet has outlived its 30-year expected useful life but must be maintained in operational condition until the transition to all-electrical service has been finalized.
20P	РСЈРВ	Station Enhancements and Improvements	\$430,506	Conduct a study of the reasons for corrosion at the San Francisco Station (4th and King) and suggest and implement corrective actions, and potentially install emergency transfer switches at Caltrain stations for emergency power during power outages.
22P	РСЈРВ	Systemwide Track Rehabilitation	\$180,000	Ongoing annual project to keep the Caltrain railroad track and structures in a state of good repair.
22P	РСЈРВ	Structure Maintenance - State of Good Repair	\$160,000	Perform minor repairs to Caltrain bridges and other civil structures to maintain assets in a state of good repair.
22P	РСЈРВ	San Francisquito Creek Bridge Replacement	\$120,000	Planning and detailed design to replace the 118-year-old San Francisquito Creek Bridge in Palo Alto.

EP Line No./ Category	Project Sponsor	Project Name	Prop K Funds Requested	Project Description
22P	РСЈРВ	Marin Street & Napoleon Street Bridges Rehabilitation	\$540,000	Address structural deficiencies by retrofitting or replacing bridge structural elements to extend the useful life of the structures. The project also addresses trespasser encampments and illegal dumping through additional fencing and potential installation of fill material that still allows access to the bridge superstructure for inspections and repairs.
22P	РСЈРВ	Guadalupe River Bridge Replacement and Extension	\$1,000,000	Replace the Guadalupe River Bridge in San Jose, which has reached the end of its useful life. Bridge replacement is necessary to avoid speed restrictions and weight limits for Caltrain and freight operations.
22U	РСЈРВ	Peninsula Corridor Electrification Project	\$4,912,000	The Peninsula Corridor Electrification Project will convert Caltrain from a diesel-hauled commuter rail service to one that uses electrically powered trains consisting of high-performance electric multiple units for service between San Francisco (Fourth and King Station) and San Jose (Tamien Station). It will result in faster, more frequent service; reduce pollutants; and support Caltrain's long-term financial sustainability. The multi-agency funding agreement for the project, signed by the SFCTA and CCSF, includes \$80 million local contributions to the project by each the three PCJPB member counties (San Francisco, San Mateo and Santa Clara). The SFCTA has committed about \$41 million primarily from the Prop K and One Bay Area Grant funds All but \$4.9 million in Prop K funds have been allocated. This request would fulfill the Prop K contribution to the project.
23	SFMTA	Paratransit, Shop-a-Round/Van Gogh Shuttles, Ramp Taxi Incentives	\$10,500,472	The SFMTA provides paratransit services to persons with disabilities, in compliance with the Americans with Disabilities Act (ADA). Since 2004 Prop K funds have supported the program's sedan and ramp taxi trips, ACCESS van pre-scheduled trips, intercounty trips, and group van trips to senior centers. This Prop K request also includes funds for SFMTA's Shop-a-Round and Van Gogh shuttles, which provide transportation to grocery stores and recreational destinations, respectively, for senior and disabled passengers. This request also includes funds for SFMTA's Ramp Taxi Incentive Program that provides financial incentives to drivers/companies to increase the supply of wheelchair-accessible ramp taxis available through the paratransit program. This request will support these programs provided through the paratransit broker service contract through June 30, 2020.

EP Line No./ Category	Project Sponsor	Project Name	Prop K Funds Requested	Project Description			
31, 33	SFMTA	Great Highway Signal Upgrade	\$220,000	Design replacement traffic signal hardware at up to eight intersections along the Great Highway, including Lincoln Way as well as Judah, Lawton, Noriega, Pacheco, Rivera, Taraval and Vicente Streets. Project will replace all existing signal infrastructure including poles, signal heads, controllers and subsurface conduits. The project will also install new accessible (audible) pedestrian-activated signals to improve safety for vision-impaired pedestrians. SFMTA expects the signals to be activated by June 2022.			
38	SFMTA	Bayview Community Based Transportation Plan – Additional Funds	\$50,000	Funds will supplement the original \$57,851 Prop K allocation for a planning and engagement effort to identify transportation priorities that reflect the desires of the Bayview community. Requested funds will cover a \$50,000 shortfall from an expanded scope of work that was required to deliver the Participatory Budgeting (PB) process. Conducting the PB process, part of a Metropolitan Transportation Commission (MTC) pilot, enables SFMTA to receive \$600,000 from MTC to implement recommendations from the PB process. MTC requires the Transportation Authority to adopt the final recommendations, which are anticipated to be presented to the Board in November 2019.			
38	SFMTA	District 11 Traffic Calming [NTIP Capital]	\$600,000	At the request of Commissioner Safai, SFMTA has requested Prop K funds for proactive traffic calming measures in various District 11 locations, focused on the Oceanview and Ingleside neighborhoods. SFMTA and Commissioner Safai's office will conduct targeted outreach where traffic calming is proposed and to finalize locations for 25 to 30 speed humps, speed cushions, speed tables, or raised (asphalt) crosswalks. Project will be open for use by December 2020.			
39	SFMTA	Bike to Work Day 2020	\$41,758	Bike to Work Day (BTWD) is an annual event promoting cycling as a viable commuting option. Prop K funds will cover the sponsorship costs for BTWD 2020 on May 14, 2020. This includes event promotion as well as event-day services such as energizer stations with educational materials and activities.			
39	39 SFMTA Bicycle Safety Education and Outreach \$80,000		\$80,000	Provide 10 months of Bicycle Safety Education and Outreach, building on successful past programming. The program provides learn-to-ride and bicycle safety classes to more than 1,000 people, and includes broad outreach to San Francisco residents an visitors via in-person presence at fairs, festivals, farmer's markets, and open streets events. See page 185 of the Enclosure for the most recent summary report (April 2017 - March 2018) for details on class attendance and demographic information.			

43 SFI	SFMTA	Safe Routes to Schools Program Administration	\$200,000	Administration of the SF Safe Routes to School program for a 10-month period, from November 2019 to August 2020. This request will fund SFMTA staff time following the program's transition from the Department of Public Health that occurred in July 2019, and during the first year of the One Bay Area Grant funding cycle. The SFMTA will oversee and coordinate San Francisco's school transportation programs and increase its focus on the core goals of school transportation: safety and
				mode shift.
43, 44 SF	SFCTA	Lombard Crooked Street Paid- Reservation System [NTIP- Planning, Capital]	\$700,000	At the request of Commissioner Stefani, the Transportation Authority will conduct continued planning and pending approval of required state and local legislation, implementation of a pilot paid reservation system for managing automobile congestion on the 1000 block of Lombard Street, especially during peak hours, by requiring visitors who drive down the street to have a reservation. Requested funds will support continued planning, preparation and adoption of business rules for a reservation system, environmental approval, procurement of a vendor for operations, and design and testing of the reservation system through an estimated first year of operations. The reservation system is intended to be self-sustaining. Funds from reservations would pay for the system's administration and traffic management. We expect the project to be operational in Spring 2020.
$\Delta\Delta$	SFCTA, SFMTA	Octavia Boulevard Circulation and Accessibility Study Update [NTIP Planning]	\$100,000	At the request of Commissioner Brown, the Transportation Authority will conduct a Study to evaluate the accessibility, safety, and circulation at Octavia Boulevard, leading to the Central Freeway. Currently, significant traffic congestion on the approaches to Octavia Boulevard causes queuing and conflicts in the area. This Study will evaluate the overall travel demand pattern to/from Octavia Boulevard and identify local, crosstown, and long-distance trip markets. The Study will assess and recommend local area improvements, upstream traffic metering and routing concepts, strategies to shift mode or vehicle occupancy, and will prioritize improvement strategies to be funded in part by revenues from land sales of Central Freeway parcels. The Study will be completed by March 2021.
		TOTAL	\$24,302,748

EP Line No./ Category	Project Sponsor	Project Name	Prop K Funds Recommended	Recommendations
7	РСЈРВ	Automatic Passenger Counters at 4th and King Station	\$ 400,000	
7	РСЈРВ	Resolve Speed and Route Signaling Conflicts	\$ 500,000	Recommendation for a multiphase allocation is appropriate given the need to support San Francisco's member share contribution to Caltrain's Fiscal Year 2019/20 capital budget.
7	РСЈРВ	Next Generation Visual Message Signs and Predictive Arrival and Departure System	\$ 500,000	
7	РСЈРВ	Caltrain Station Infrastructure Refresh/Upgrade	\$ 464,506	
7, 20P	РСЈРВ	Bayshore Station Overpass Pedestrian Bridge Rehabilitation	\$ 1,053,506	Recommendation for a multiphase allocation is appropriate given the need to support San Francisco's member share contribution to Caltrain's Fiscal Year 2019/20 capital budget.
17P	РСЈРВ	Bombardier Cars State of Good Repair	\$ 2,100,000	
17P	РСЈРВ	F40 Locomotive State of Good Repair	\$ 150,000	
20P	РСЈРВ	Station Enhancements and Improvements	\$ 430,506	
22P	РСЈРВ	Systemwide Track Rehabilitation	\$ 180,000	
22P	РСЈРВ	Structure Maintenance - State of Good Repair	\$ 160,000	
22P	РСЈРВ	San Francisquito Creek Bridge Replacement	\$ 120,000	
22P	РСЈРВ	Marin Street & Napoleon Street Bridges Rehabilitation	\$ 540,000	
22P	РСЈРВ	Guadalupe River Bridge Replacement and Extension	\$ 1,000,000	
22U	РСЈРВ	Peninsula Corridor Electrification Project	\$ 4,912,000	
23	SFMTA	Paratransit, Shop-a-Round/Van Gogh Shuttles, Ramp Taxi Incentives	\$ 10,500,472	Deliverable: Quarterly progress reports will provide service performance information including the number of trips and complaints, on-time percentage per mode (for paratransit program), average trip time for group van services, and shuttle and ramp taxi service performance including the number of trips originating in Communities of Concern.

Attachment 3: Staff Recommendations ¹

EP Line No./ Category	Project Sponsor	Project Name	Prop K Funds Recommended		Recommendations		
31, 33	SFMTA	Great Highway Signal Upgrade	\$	220,000			
38	SFMTA	Bayview Community Based Transportation Plan – Additional Funds	\$	50,000	5-Year Prioritization Program (5YPP) Amendment: The recommended allocation is contingent on a concurrent amendment of the Prop K Traffic Calming 5YPP to program \$50,000 in deobligated funds from projects completed under budget. Deliverable: Upon completion of the Participatory Budgeting process, SFMTA will present recommendations to the Citizens Advisory Committee and Board for approval (anticipated October 23 and November 5, 2019, respectively).		
38	SFMTA	District 11 Traffic Calming [NTIP Capital]	\$ 600,000		Multiphase Allocation: Given the strong interest by the sponsoring commissioner in delivering the projects as quickly as possible, the short duration of the planning phase, and the relatively straightforward design of similar improvements at multiple locations, we are recommending concurrent allocation of planning, design and construction funds. Special Condition: SFMTA may not incur expenses for the construction phase until Transportation Authority staff releases the funds (\$429,000) pending receipt of locations and measures as confirmed by the district supervisor.		
39	SFMTA	Bike to Work Day 2020	\$	41,758	Special Condition: Funds are conditioned upon the San Francisco Bicycle Coalition locating one or more energizer station(s) per district. (As amended by SFCTA Board at its October 8 meeting.)		

Attachment 3: Staff Recommendations ¹

EP Line No./ Category	Project Sponsor	Project Name	Prop K Funds Recommended	Recommendations
39	SFMTA	Bicycle Safety Education and Outreach	\$ 80,000	
43	SFMTA	Safe Routes to Schools Program Administration	\$ 200,000	Deliverable : By June 2020, SFMTA staff will provide a report on how the Safe Routes to Schools program is doing with respect to achieving the established goals of reducing single family vehicle trips by 37% and school-related collisions by 50% by 2030, consistent with the required deliverable for the One Bay Area Grant.
43, 44	SFCTA	Lombard Crooked Street Paid Reservation System [NTIP Planning, Capital]	\$ 700,000	5YPP Amendment: The recommendation is contingent on a cost-neutral 5YPP amendment to the Transportation Demand Management (TDM)/ Parking Management category to reprogram \$200,000 in Mobility as a Service Pilot—Placeholder funds from FY2019/20 to FY2020/21, and to reprogram an equal-amount in Demand & Pricing—Placeholder funds from FY2020/21 to FY2019/20. See attached 5YPP amendment for details. Multi-phase Allocation: At the request of the District 2 supervisor, we are targeting implementation in spring 2020 before the next peak tourist season to provide some congestion relief to the community. The very short timeline to complete planning and begin implementation necessitates the multi-phase approval (planning and construction).
44	SFCTA, SFMTA	Octavia Boulevard Circulation and Accessibility Study Update [NTIP Planning]	\$ 100,000	Prior to Board adoption (anticipated March 2021), staff will present a draft final report, including key findings, recommendations, next steps, implementation, and funding strategy to the Citizens Advisory Committee and Board. Upon project completion, the Board will accept or approve the final report.
