Invitation to Bid

for the

Southgate Road Realignment Project

on

Yerba Buena Island

The San Francisco County Transportation Authority (SFCTA) plans to release bid documents for the **Southgate Road Realignment Project** on Yerba Buena Island (YBI) in November 2019. The date of the bid opening will be announced in the near future. A mandatory pre-bid meeting and site visit will be held for the Project on Treasure Island at a date and time to be announced. The pre-bid meeting will include an outreach session for Disadvantaged Business Enterprises (DBEs). A DBE participation goal of 16% has been established for the Project.

The Project generally consists of the construction of an off-ramp from East Bound I-80 at the San Francisco – Oakland Bay Bridge east of the YBI tunnel, realignment of Southgate Road,

widening and improving Hillcrest Road and construction of a bicycle and pedestrian path. The work includes the construction of two cast-in-place bridges, retaining walls, grading, paving, temporary shoring, storm drainage improvements, electrical work, barrier railing, flatwork, traffic striping, architectural metal railing, fencing and building demolition.

The estimated construction cost is \$27 Million. The Project is funded with Federal, State (Prop 1B) and local funds. The Project will be subject to "Buy America" provisions.

A Class A General Engineering Contractors license is required, and the successful bidder must pay prevailing wages.

Contract documents and addenda will be made available via Bid Express (www.bidexpress.com). An electronic bidding process will be utilized, and paper bids will not be accepted. All bidders must register on www.bidexpress.com and create a Digital ID through Bid Express to submit a bid.
