

# Prop K Half-Cent Transportation Sales Tax and Prop AA Vehicle Registration Fee

Seven Requests

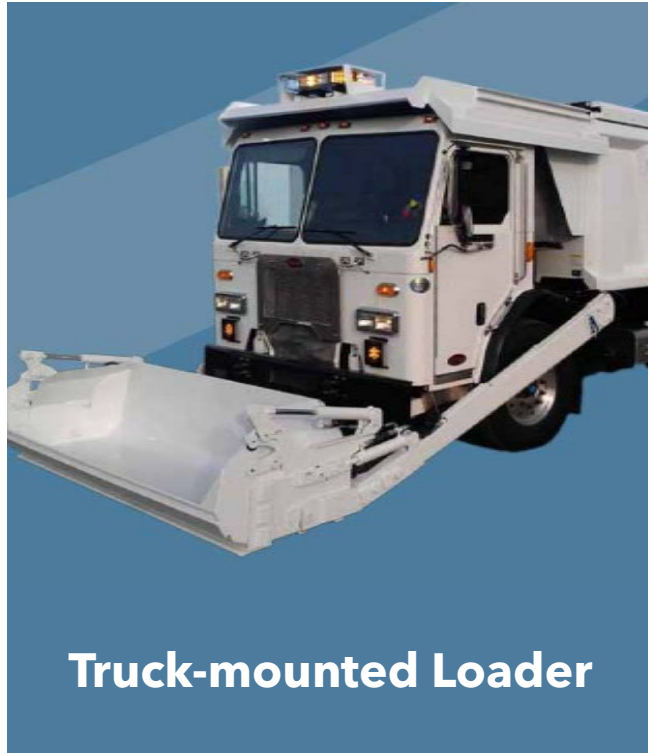

San Francisco  
County Transportation  
Authority

Board Agenda Item #4

May 12, 2020

# Street Repair and Cleaning Equipment (SFPW) Construction

**Prop K request: \$871,364**

**Purchase 3 pieces of equipment that have exceeded their useful lives**

- Truck-mounted Loader (\$442,500)
- 10-Wheel Dump Truck (\$253,500)
- Backhoe/Loader (\$175,364)

**CARB compliant**

**Equipment in service by June 2021**

# Public Sidewalk and Curb Repair (SFPW) Construction

**Prop K request: \$584,632**  
**Total cost: \$888,631**

**Annual program to repair non-tree related damage to public sidewalks, curbs, and angular returns**

- Repair ~600 locations
- Locations identified by SFPW inspections, public complaints through 311, trip-and-fall accidents
- Repair of tree-related damage funded by Tree Maintenance Fund (Prop E, 2016)

# Tree Planting and Establishment (SFPW) Construction

## Prop K request: \$1,438,936

Annual program to plant and water young trees  
in the public right-of-way

- Plant and establish ~631 trees
- Priority to existing empty basins, areas with low canopy cover
- Maintenance funded by General Fund (Prop E)
- Residents can request tree planting through 311

# Application-Based Traffic Calming Program FY19/20 Cycle Design (SFMTA)

**Prop K request: \$141,836**

**Design ~92 traffic calming measures on 47 blocks citywide**

**Accepted locations from applications received in June 2019**

**Scope:**

- speed humps
- speed cushions
- traffic islands
- raised crosswalks

**Open for use by June 2022**

# Application-Based Traffic Calming Program

## FY20/21 Cycle Planning (SFMTA)

**Prop K request: \$220,387**

Citywide program outreach, evaluation and prioritization of traffic calming applications received by June 30, 2020

Recommend measures at ~50 locations

SFMTA waiving the petition (signature) requirement for application

Future Prop K request for implementation funds

# Western Addition Pedestrian Lighting (SFPW) Design

**Prop AA request: \$60,000**

**Pedestrian-scale lighting recommended in community-based transportation plan**

- McAllister Street - Fillmore to Webster Streets (new)
- Fillmore Street - Golden Gate Avenue to Turk Street (additional)

**Safe pedestrian connections to destinations including stops for 5 Fulton and 22 Fillmore**

**Design complete by December 2020**

# Potrero Gateway Loop Pedestrian Safety Improvements (SFPW) Design

**Prop AA request: \$80,000**  
**Total cost: \$360,000**

**Safety improvements at 17th Street,  
Vermont Street, and San Bruno Avenue  
adjacent to US 101**

## **Scope:**

- wider sidewalks
- corner bulbouts
- enhanced bike lanes
- landscaping
- roadway and parking modifications

**Design phase done by June 2021**

# Thank you.
