As a D4 resident, I feel the outreach of the D4 Mobility Study was not properly conducted. I don't feel the numbers are a true representation of the residents affected.

Please keep the Great Highway open to vehicles. By doing so, you are keeping unnecessary traffic out of residential streets, thereby making it safer, less noisy and less emissions on neighborhood homes and businesses. Please also reconsider the current Friday noon closing to after commute time (8pm or later).

S. Garrett
Outer Sunset Resident

Dear Mr. Garrett.

Thank you for your comments.
They have been received and will be posted to our website.

Britney Milton
