BACKGROUND

We annually contract for certain professional support services in areas where factors like cost, work volume, or the degree of specialization required would not justify the use of permanent in-house staff. Services requested from outside firms include computer network services, general legal counsel services, and on-call strategic communications, media and community relations professional services. The contract amounts proposed are annual limitations, as these professional support services are provided through contracts where costs are incurred only when the specific services are used.

DISCUSSION

Attachment 1 provides summary information for the proposed contract options. Below are brief descriptions of the recommended services and amounts.

Meyers Nave; Nossaman LLP; and Wendel Rosen LLP	\$325,000
<p>We maintain a bench of three legal firms experienced in matters related to the operation of public entities to provide on-call general legal counsel services. In July 2019, through Resolution 20-07 and based on the results of a competitive process, we awarded three-year professional services contracts to Meyers Nave (formerly Meyers Nave Riback Silver & Wilson); Nossaman LLP; and Wendel Rosen LLP (formerly Wendel, Rosen, Black, & Dean LLP), with an option to extend for two additional one-year periods, in a combined amount not to exceed \$1,000,000, for on-call general legal counsel services. The proposed action will exercise the first of two options of the initial contracts. Attachment 2 provides brief descriptions of the work assigned to the legal teams.</p>	
SPTJ Consulting	\$300,000
<p>SPTJ Consulting provides information technology support services of our computer hardware and software, office networking equipment, telecommunications systems, servers, and disaster recovery preparation. On November 27, 2018, through Resolution 19-26, we awarded a two-year consultant contract, with options to extend for three additional one-year periods to SPTJ Consulting, Inc. in an amount not to exceed \$480,000 for computer network and maintenance services. On September 22, 2020, through Resolution 21-12, we approved the first contract option in an amount not to exceed \$325,000, for a total contract amount not to exceed \$805,000. During FY 2021/22 and due to COVID-19, we anticipate the need to maintain technology support for the production of virtual Board and/or Committee meetings and for the reopening of our physical office. The proposed action will exercise the second of three renewal options.</p>	
Civic Edge Consulting and Convey, Inc.	\$100,000
<p>We regularly communicate with the public, the media, policymakers, and key stakeholders in partner agencies and the private and non-profit sectors on a wide range of agency and project-specific matters. In February 2019, through Resolution 19-37 and based on the results of a competitive process, we awarded three-year consultant contracts to Civic Edge Consulting and Convey, Inc., with an option to extend for two additional one-year periods, in a combined amount not to exceed \$300,000, for on-call strategic communications, media, and community relations professional services. Since then, the consultant teams have provided support for project-specific communications needs, assisted with development of a contacts database management system, assisted in the development of a project highlighting the half-cent sales tax, and helped hone messaging on assorted agency-wide efforts. For the upcoming year, we forecast continuous need for assistance with strategic communications, media relations and outreach related to various projects. The proposed action will exercise the first of two options of the initial contracts. Attachment 2 provides brief descriptions of the work assigned to both consultant teams.</p>	

FINANCIAL IMPACT

The adopted Fiscal Year 2021/22 budget includes this year's activities and sufficient funds will be included in future budgets to cover the remaining cost of the contracts. The proposed contracts will be funded by a combination of federal and state grants, and Prop K funds.

CAC POSITION

The Community Advisory Committee considered this item at its September 22, 2021 meeting, and adopted a motion of support for the staff recommendation.
