DISCUSSION

The selection of each member is approved at-large by the Board; however traditionally the Board has had a practice of ensuring that there is one resident of each supervisorial district on the CAC. Per Section 5.2(a) of the Administrative Code, the CAC:

“...shall include representatives from various segments of the community, such as public policy organizations, labor, business, seniors, people with disabilities, environmentalists, and

the neighborhoods, and reflect broad transportation interests. The committee is also intended to reflect the racial and gender diversity of San Francisco residents.”

An applicant must be a San Francisco resident to be considered eligible for appointment. Applicants are asked to provide residential location and areas of interest but provide ethnicity and gender information on a voluntary basis. CAC applications are distributed and accepted on a continuous basis. CAC applications were solicited through the Transportation Authority’s website, Commissioners’ offices, and email blasts to community-based organizations, advocacy groups, business organizations, as well as at public meetings attended by Transportation Authority staff or hosted by the Transportation Authority. Applications can be submitted through the Transportation Authority’s website at www.sfcta.org/cac.

All applicants have been advised that they need to appear in person before the Board in order to be appointed, unless they have previously appeared. If a candidate is unable to appear before the Board on the first appearance, they may appear at the following Board meeting in order to be eligible for appointment. An asterisk following the candidate’s name in Attachment 2 indicates that the applicant has not previously appeared before the Board.

FINANCIAL IMPACT

The requested action would not have an impact on the adopted Fiscal Year 2022/23 budget.

CAC POSITION

None. The CAC does not make recommendations on the appointment of CAC members.

Statement of qualifications:

Since I finished my graduate degree in city planning from U.C. Berkeley in 2015, I have made my career in transportation. As a Product Manger with Apple Pay, I work at the intersection of transportation and user experience technology, a trajectory I started while managing the free-floating car share program at the City of Oakland and the procurement of the next generation of Clipper at the Metropolitan Transportation Commission. As an advocate, I have organized the Slow Hearst group to champion safe streets in Sunnyside and co-founded the transportation advocacy group Seamless Bay Area.

Statement of objectives:

I intend to work with Supervisor Melgar's office to advance the city's commitment to transit and active transportation. While my family has a car, we primarily get around by bike, bus and train. As a new mother, I will champion the interests of families in District 7, who want to safely get around the city. Sustainability, equity and a commitment to neighborhood business motivate my advocacy work, and I intend to represent those values in my work with Supervisor Melgar and the Citizen's Advisory Committee.
