Hi there,

Please find attached SFTR's letter of support for Sara Barz. We think she would make a fantastic District 7 representative on the SFCTA Citizens Advisory Council.

Thanks for your time and have a lovely day,
Zack

Dear Transportation Authority Board Members,

It is my pleasure to recommend Sara Barz for SFCTA CAC District 7 representative.

San Francisco Transit Riders (SFTR) is the city's member-supported advocate for transit riders and for affordable, efficient, and growing transit. Sara is long-time transit advocate for riders across the city and region. Her insights into transit decision-making, policy and rider-centered investments will be invaluable on the CAC.

Sara previously volunteered with the San Francisco Transit Riders on Transit Month activities in 2017 and received a Riders First Award in 2018 for helping regional transit more affordable for low-income riders. Sara's previous experience working on Clipper at the Metropolitan Transportation Commission will be an asset to the CAC.

I have also had the pleasure of serving with Sara on the Ocean Avenue Mobility Action Plan Task Force, where she has been a staunch advocate for safer streets and improved transportation options that will help support the vital recovery of the Ocean Ave corridor.

San Francisco Transit Riders strongly recommends Sara Barz for the D7 CAC representative.

If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.

Sincerely,
Zack Deutsch-Gross
