Cc: SFCTA Board Secretary <clerk@sfcta.org>, SFCTA CAC <cac@sfcta.org>

Dear Chair Mandelman and Commissioners,

Please convey my admiration and gratitude to Executive Director Tilly Chang for her masterful transformation of the Authority's Capital Projects division.

I believe that history will remember the retirement of the infamous CZ joint venture followed by a transition to Mr. Carl Holmes as Deputy Director of Capital Projects as a pivotal moment in the integration and successful delivery of the PAX, the DTX and the next Transbay crossing.

Sincerely,

Roland Lebrun
