Prop K request: \$1,963,825

Total cost: \$40,214,620

Replacement of two rail bridges over the Guadalupe River in San Jose, which have exceeded their useful life.

- Necessary to avoid slow orders and weight limits for Caltrain and freight operations
- Full demolition and replacement of MT-1 (built 1935); replacement of sections and extension of MT-2 (built 1990)
- Open for use March 2025

Existing wooden piles and sub-structure

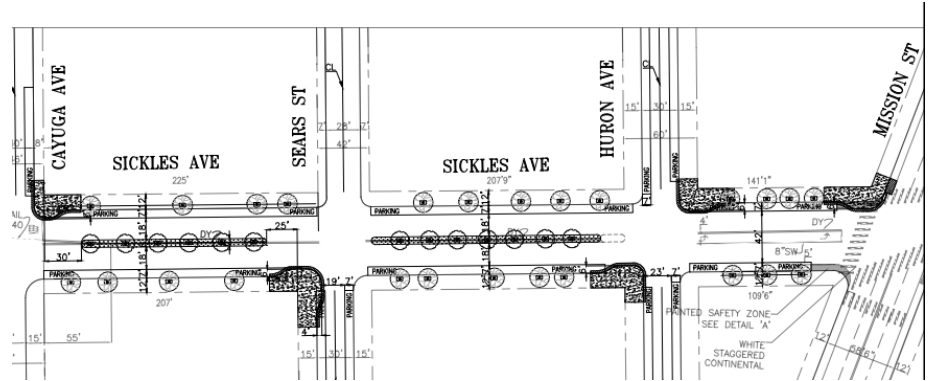

Excelsior Neighborhood Traffic Calming: Sickles Ave Streetscape (SFPW) Design

Prop K request: \$900,000

Total Cost: \$1,000,000

Safety improvements to Sickles Avenue, between Cayuga and Mission.

- Five new bulb-outs
- Pedestrian lighting
- New planted median and street trees
- Open for use Summer 2025, subject to funding availability

Tree Planting and Establishment (SFPW) Construction

Prop K request: \$1,542,397

Plant 660 trees during FY2022/23 and add them to the weekly watering schedule for 3-year establishment period

- Priority areas characterized by low levels of tree canopy
- Fiscal Year 2022/23 focus will be on Bayview-Hunters Point, Tenderloin and SOMA, where tree canopy levels are some of the City's lowest
- Deliverable: Quarterly progress reports to include a young tree health and mortality report

Oakdale Lighting Improvements Project Phase 1 (SFPW) Design

Prop AA request: \$324,000

Install ~50 new pedestrian-scale lights to make Oakdale feel safer, more inviting for pedestrians

- On Oakdale Avenue between 3rd and Phelps streets
- Project identified through Bayview Community Based Transportation Plan
- Future phases are planned along Oakdale Avenue from Phelps St. to Barneveld Ave.
- Open for use expected early 2025

Thank you.
