coordination with the City's Health Officer, has advised that for group gatherings indoors, such as meetings of boards and commissions, people can increase safety and greatly reduce risks to the health and safety of attendees from COVID-19 by maximizing ventilation, wearing well-fitting masks regardless of vaccination status (and as required for unvaccinated people by the State of California's indoor masking order), encouraging vaccination (including a booster as soon as eligible), staying home when sick or when experiencing any COVID-19 symptom discouraging consumption of food or beverages in the meeting, following good hand hygiene practices, and making informed choices when gathering with people who vaccination status is not known; and

WHEREAS, The Treasure Island Mobility Management Agency (TIMMA) Board began meeting in person on May 24, 2022, allowing members to participate by teleconferencing from a separate location for COVID-related health reasons and providing members of the public an opportunity to observe and provide public comment either in person or remotely; now, therefore, be it

RESOLVED, That the TIMMA Board finds as follows:

1. As described above, the State of California and the City remain in a state of emergency due to the COVID-19 pandemic. At this meeting, the TIMMA Board has considered the circumstances of the state of emergency.
2. As described above, because of the COVID-19 pandemic, conducting meetings of this body and its committee in person without allowing certain members of this body to attend remotely would present imminent risks to the health or safety of certain attendees due to COVID-19, and the state of emergency continues to directly impact the ability of members to meet safely in person; and, be it further

RESOLVED, That for at least the next 30 days, meetings of the TIMMA Board and the TIMMA Committee will hold in-person meetings, with some members possibly appearing remotely. If all members of the TIMMA Board are unable to attend in person for COVID-related health reasons, then the TIMMA Board will hold the meeting remotely without providing an in-person meeting location. All meetings of the TIMMA Board and TIMMA Committee will provide an opportunity for members of the public to address this body and its committee and will otherwise occur in a manner that protects the statutory and constitutional rights of parties and the members of the public attending the meeting via teleconferencing.
