RESOLUTION MAKING FINDINGS TO ALLOW TELECONFERENCED MEETINGS OF THE TREASURE ISLAND MOBILITY MANAGEMENT AGENCY COMMITTEE UNDER CALIFORNIA GOVERNMENT CODE SECTION 54953(e)

WHEREAS, California Government Code Section 54953(e) empowers local legislative bodies to convene by teleconferencing technology during a proclaimed state of emergency under the State Emergency Services Act so long as certain conditions are met; and

WHEREAS, In February 25, 2020, the Mayor of the City and County of San Francisco (City) declared a local emergency, and on March 6, 2020, the City's Health Officer declared a local health emergency, and both those declarations also remain in effect; and

WHEREAS, On September 16, 2021, the Governor signed AB 361, a bill that amends the Brown Act to allow local legislative bodies to continue to meet by teleconferencing during a state of emergency without complying with restrictions in state law that would otherwise apply, provided that the legislative bodies make certain findings at least once every 30 days; and

WHEREAS, Federal, State, and local health officials emphasize the critical importance of vaccination and consistent mask-wearing, to prevent the spread of COVID-19, and the City Health Officer has issued at least one order (Health Officer Order No. C19-07y, available online at www.sfdph.org/healthorders) and one directive (Health Officer Directive No. 2020-33i, available online at www.sfdph.org/directives) that continue to recommend measures to promote safety for indoor gatherings, such as vaccination, masking, improved ventilation, and other measures, in certain contexts; and

can decrease the spread of COVID-19; and

WHEREAS, Without limiting any requirements under applicable federal, state, or local pandemic-related rules, orders, or directives, the City's Department of Public Health, in coordination with the City's Health Officer, has advised that for group gatherings indoors, such as meetings of boards and commissions, people can increase safety and greatly reduce risks to the health and safety of attendees from COVID-19 by maximizing ventilation, wearing well-fitting masks regardless of vaccination status (and as required for unvaccinated people by the State of California's indoor masking order), encouraging vaccination (including a booster as soon as eligible), staying home when sick or when experiencing any COVID-19 symptom, discouraging consumption of food or beverages in the meeting, following good hygiene practices, and making informed choices when gathering with people whose vaccination status is not known; and

WHEREAS, The Treasure Island Mobility Management Agency (TIMMA) Board began meeting in person on May 24, 2022, allowing members to participate by teleconferencing from a separate location for COVID-related health reasons and providing members of the public an opportunity to observe and provide public comment either in person or remotely; and

WHEREAS, It is anticipated that the TIMMA Board will make findings to allow teleconferenced meetings under California Government Code Section 54953(e) that will cover its committees, including the TIMMA Committee, but the TIMMA Board has not yet had the opportunity to make such findings; and

WHEREAS, At its meeting on January 25, 2022, the TIMMA Committee adopted findings pursuant to California Government Code Section 54953(e) to allow the TIMMA Committee to hold teleconferenced meetings in conformance with AB 361; and

WHEREAS, It has been more than 30 days since the adoption of such findings by the TIMMA Committee, and the TIMMA Committee must accordingly make new findings to allow teleconferenced meetings rather than following the provisions in AB 361 allowing the reconsideration of findings under California Government Code Section 54953(e) so long as such reconsideration occurs within 30 days after the initial adoption or the last reconsideration of such findings; now, therefore, be it

1. As described above, the State of California remains in a state of emergency due to the COVID-19 pandemic. At this meeting, the TIMMA Committee has considered the circumstances of the state of emergency.

2. As described above, because of the COVID-19 pandemic, conducting meetings of the TIMMA Committee in person without allowing certain members of this body to attend remotely would present imminent risks to the health or safety of certain attendees due to COVID-19, and the state of emergency continues to directly impact the ability of members to meet safely in person; and, be it further

RESOLVED, That for at least the next 30 days, the TIMMA Committee will hold in-person meetings, with some members possibly appearing remotely. If all members of the TIMMA Committee are unable to attend in person for COVID-related health reasons, then the TIMMA Committee will hold the meeting remotely without providing an in-person meeting location. All meetings of the TIMMA Committee will provide an opportunity for members of the public to address this body and will otherwise occur in a manner that protects the statutory and constitutional rights of parties and the members of the public attending the meeting via teleconferencing.
