Request for Proposals for Microsoft Dynamics 365 Finance and Operations Services

Date: November 18, 2022
To: Interested Firms and Individuals
From: Cynthia Fong, Deputy Director for Finance and Administration
Subject: Request for Proposals to Provide Migration Services for Microsoft Dynamics 365 Finance and Operations Services (RFP 22/23-07)

The Transportation Authority received the following questions in italics submitted by 5:00 p.m. on November 14, 2022.

1. *Can companies outside the United States apply?*

Non-US firms are not excluded from applying so long as they meet the required minimum qualifications: 1) Microsoft Certified Business Partner, 2) minimum five years' experience implementing or enhancing Microsoft Dynamics Enterprise Resource Planning (ERP) solutions, including upgrading Microsoft Dynamics AX to Microsoft Dynamics 365 Finance and Operations Services, 3) provide a copy of the Microsoft Gold or Silver Certification in ERP competency, and 4) experience implementing or enhancing Microsoft Dynamics 365 ERP solutions at a client with less than seven accounting staff for a public agency.

2. *Does the consultant need to attend in person for meetings?*

Consultants are not required to attend in-person meetings.

3. *Can companies perform tasks related to the RFP outside of the United States?*

Firms can perform tasks related to the RFP outside of the United States so long as deliverables are achieved.

4. *Can proposals be submitted via email?*

Proposals are due electronically to the Transportation Authority at the following address: info@sfcta.org.

5. *How can a small, local, women-owned business contact prime contractors who plan to bid on this project?*

Although the Transportation Authority will not know which prime contractor is interested in submitting a proposal, the Transportation Authority identified a number of potential firms with capabilities to provide deliverables outlined in the subject RFP. We distributed the RFP to the list of firms below.
