DISCUSSION

The selection of each member is approved at-large by the Board; however the Board has had a practice of ensuring that there is one resident of each supervisorial district on the CAC. Per Section 5.2(a) of the Administrative Code, the CAC:

“...shall include representatives from various segments of the community, such as public policy organizations, labor, business, seniors, people with disabilities, environmentalists, and the neighborhoods, and reflect broad transportation interests. The committee is also intended to reflect the racial and gender diversity of San Francisco residents.”

An applicant must be a San Francisco resident to be considered eligible for appointment. Applicants are asked to provide residential location and areas of interest but provide ethnicity and gender information on a voluntary basis. CAC applications are distributed and accepted on a continuous basis. CAC applications were solicited through the Transportation Authority's website, Commissioners' offices, and email blasts to community-based organizations, advocacy groups, business organizations, as well as at public meetings attended by Transportation Authority staff or hosted by the Transportation Authority. Applications can be submitted through the Transportation Authority's website at www.sfcta.org/cac.

All applicants have been advised that they need to appear in person before the Board in order to be appointed, unless they have previously appeared. If a candidate is unable to appear before the Board on the first appearance, they may appear at the following Board meeting in order to be eligible for appointment.

FINANCIAL IMPACT

The requested action would not have an impact on the adopted Fiscal Year 2022/23 budget.

CAC POSITION

None. The CAC does not make recommendations on the appointment of CAC members.

Statement of qualifications:

Having spent over a decade within the technology sector I'm most proud of the past two years with Moovit the world's #1 public transit app. The relationships I formed with public and private transit, infrastructure conglomerates, and technology partners across North America opened my eyes to the potential of public transit today and into the future. Subsequently, I'd love to invest this knowledge into public policy and action by joining the the SFCTA CAC.

Especially, as I have 4 years of experience as a Chairman and Committee Member for Oakland Fund for Children and Youth in my prior Oakland, CA residence. Like the SFCTA CAC role, my time with the OFCY was a Board of Supervisors Appointment focused on analyzing and implementing public policy such as:

- \$9 - \$14 million annual budgets twice prepared for 3-year strategic plans
- 250 applications from nonprofit agencies reviewed and recommend funding for
- 138 agencies selected and managed while Chair of Evaluation Sub-Committee,
- Led quarterly evaluations, ensuring funded agencies adhered to terms of service
- Chaired public meetings using Robert's Rules of Order; set meeting agendas

With that I thank you for considering my qualifications.

Statement of objectives:

As a potential appointee, my objective is to best serve the residents of District 1 by obtaining timely and safe travel from our outlying neighborhood. Specifically, more efficient connections to downtown/SOMA and regional transportation, while ensuring the safety of travelers and the environment from all modes of transit. Furthermore, creating policies around disruptive transit providers that maximize carpooling and equity, and empowers SF Muni to right size their transit fleet, so both private companies and SF Muni may better meet the approaching fleets of Autonomous Vehicles.

Statement of qualifications:

I worked in various capacities over 3 decades with the City/County of San Francisco on Federal/Regional/Local transportation issues. Recently, I served (for 4 years) as a member of the MTC Policy Advisory Council. Although I am retired, I continue to have strong interest (both personally and professionally) in Transportation Policy. I believe my experience and expertise would lend an important voice toward solid transportation policy and planning for San Francisco’s residents.

Statement of objectives:

I am particularly interested in the linkage between affordable housing, business development, traditional and alternative transportation modes and their impact on the City’s infrastructure.
