

**A total of 196 San Franciscans have to date signed a Change.org petition opposing the elimination of the J-Church stop at 29<sup>th</sup> and Church Streets.**

The elimination of the 29<sup>th</sup> Street stop is also opposed by both the **Noe Neighborhood Council** and **Upper Noe Neighbors**.

The petition reads:

*The MUNI bureaucrats want to eliminate the J-Church stop at 29th and Church Streets, in order to shave 15 SECONDS off the J-Church run time.*

*This would reduce accessibility to public transportation for all MUNI riders in the neighborhood, particularly seniors, families with children, the disabled, shoppers with bags, as well as late-night and early-morning workers. All in order to save 15 SECONDS!*

*Keep our 29th and Church Street MUNI stop!*

Attached is a list of the 196 San Franciscans who have signed this petition.
