

Transportation Fund for Clean Air (TFCA) Local Expenditure Criteria

San Francisco
County Transportation
Authority

Item 7

February 14, 2023

What is TFCA?

\$4 vehicle registration surcharge in the nine-county Bay Area

Funds projects that reduce motor vehicle emissions beyond requirements

60% Managed directly by Bay Area Air Quality Management District (Air District)

40% Passed through to counties on return-to-source basis – SFCTA administers program in San Francisco

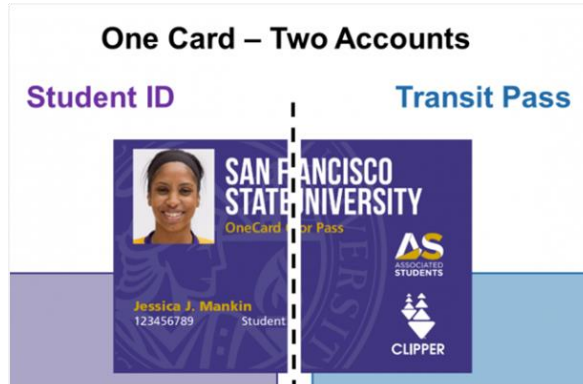

**San Francisco
County Transportation
Authority**

Approximately \$850,000 in county share funds available

Air District establishes eligibility and requires counties to adopt local expenditure criteria every year to guide selection of local projects

All projects must meet cost-effectiveness requirements

Typically fund four to eight projects per year

Diverse range of project types funded
