Hello,

My name is Rachel Clyde, I am a community organizer for the San Francisco Bicycle Coalition.

We urge the SFCTA Citizens Advisory Committee to support the Ocean Ave Mobility Action Plan.

This plan will make Ocean Ave safer for all road users. Ocean Ave is in desperate need of these pedestrian, speed management and bicycle improvements. However, we also voice our support for including more robust and protected, bicycle infrastructure. The current design leaves a lot of space where bikes and car merge which can lead to collisions.

Please support this plan and advocate for more robust bicycle protection.

Thank you,
Rachel Clyde
