Agenda Item 5

Oppose Unless Amended	AB 825 Bryan (D)	Vehicles: bicycles on sidewalks. Authorizes the use of bicycles on sidewalks statewide unless the adjacent street has a striped or separated bicycle facility. Bill has recently been amended to provide some flexibility to local governments to put in place restrictions on the use of bicycles on sidewalks (such as in commercial districts or on streets with a speed limit of 20 mph or less). However, we still feel the amendments are insufficient to withdraw the current position.	<i>Vetoed by Governor</i>
