### BACKGROUND

As described in the Transportation Authority's Administrative Code, the CAC shall provide input to the Transportation Authority in:

1. Defining the mission of the Transportation Authority;
2. Reflecting community values in the development of the mission and program of the Transportation Authority, and channeling that mission and program back to the community;

3. Defining criteria and priorities for implementing the Expenditure Plan programs consistent with the intention of the half-cent sales tax funding purposes; and
4. Monitoring the Transportation Authority's programs and evaluating the sponsoring agencies' productivity and effectiveness.

## **DISCUSSION**

The Board appoints 11 members to the CAC and each Commissioner nominates one member to the committee. Per Section 5.2(a) of the Administrative Code, the CAC:

"...shall include representatives from various segments of the community, such as public policy organizations, labor, business, seniors, people with disabilities, environmentalists, and neighborhoods, and reflect broad transportation interests. The committee is also intended to reflect the racial and gender diversity of San Francisco residents."

An applicant must be a San Francisco resident to be considered eligible for appointment. Applicants are asked to provide residential location and areas of interest but provide ethnicity and gender information on a voluntary basis. CAC applications are accepted on a continuous basis and can be submitted through the Transportation Authority's website at [sfcta.org/cac](https://sfcta.org/cac).

All applicants are advised that they need to appear in person before the Board in order to be appointed unless they have previously appeared. If a candidate is unable to appear before the Board on the first appearance, they may appear at the following Board meeting in order to be eligible for appointment. Applicants who were previously CAC members, but whose membership was terminated due to missing four of the last 12 regularly scheduled meetings must appear before the Board to be reappointed.

## **FINANCIAL IMPACT**

The requested action would not have an impact on the adopted Fiscal Year 2024/25 budget.

#### Statement of qualifications:

As a dual-enrollment student at Las Positas College and a sophomore at Washington High School, I bring a unique combination of academic rigor, leadership experience, and a passion for community engagement. My leadership roles include serving as a member of Congressman Eric Swalwell's East Bay Congressional Youth Council and the Fremont Unified School District's Budget Advisory Task Force. These experiences have honed my skills in policy advocacy, resource allocation, and representing diverse community interests.

Additionally, my internship with the Metropolitan Transportation Commission provided me with first-hand knowledge of transportation policy and data management, specifically within the Bay Area. I have successfully managed voter outreach for campaigns impacting over 200,000 residents and founded the Digital Wellness Initiative to advocate for healthier digital policies. With a proven track record of public speaking, policy analysis, and community organizing, I am well-prepared to contribute meaningfully to the Community Advisory Committee.

#### Statement of objectives:

If appointed to the Community Advisory Committee, my primary objective is to bridge the gap between diverse community needs and sustainable transportation solutions. I aim to leverage my experience in policy advocacy and community engagement to support the Authority's mission of improving accessibility and equity in transportation.

I am particularly committed to ensuring that underserved populations have a voice in the decision-making process, advocating for projects that prioritize environmental sustainability and economic inclusivity. My goal is to foster collaboration among stakeholders to create a transportation system that meets the needs of all San Francisco County residents, both now and in the future.
