BD051325

RESOLUTION NO. 25-46

RESOLUTION ALLOCATING \$861,500 IN PROP L FUNDS, WITH CONDITIONS, FOR TWO REQUESTS AND AMENDING THE PROP K STANDARD GRANT AGREEMENT FOR THE ORTEGA STREET IMPROVEMENTS [NTIP CAPITAL] PROJECT (PROJECT) AND RELEASING \$280,000 IN FUNDS HELD IN RESERVE, FOR THE PROJECT'S CONSTRUCTION, WITH CONDITIONS

WHEREAS, The Transportation Authority received two requests for a total of \$861,500 in Prop L transportation sales tax funds, as summarized in Attachments 1 and 2; and

WHEREAS, The allocation requests seek funds from the following Prop L Expenditure Plan programs: Neighborhood Transportation Program and Safer and Complete Streets; and

WHEREAS, As required by the voter-approved Expenditure Plans, the Transportation Authority Board has adopted a 5-Year Prioritization Program (5YPP) for each of the aforementioned Prop L programs; and

WHEREAS, The SFMTA's Northern Embarcadero and Jefferson Quick-Builds request requires amendment of the Prop L Safer and Complete Streets 5YPP to add this project with funding from the Active Communities Plan Implementation placeholder and the SFMTA's District 5 Daylighting [NTP] request requires amendment of the Prop L Neighborhood Transportation Program 5YPP to add this project with funding from the existing NTP placeholders, as summarized in Attachment 3 and detailed in the relevant allocation request forms included in Attachment 5; and

WHEREAS, After reviewing the allocation requests, Transportation Authority staff recommended allocating \$861,500 in Prop L funds, with conditions, for two requests, as described in Attachment 3 and detailed in Attachment 5, which include staff recommendations for Prop L allocation amounts, required deliverables, timely

RESOLUTION NO. 25-46

use of funds requirements, special conditions, and Fiscal Year Cash Flow Distribution Schedules; and

WHEREAS, The Transportation Authority also received a request from the SFTMA to amend the Prop K Standard Grant Agreement (SGA) for the Ortega Street Improvements [NTIP Capital] Project and release \$280,000 in funds held in reserve for the construction phase; and

WHEREAS, The SFMTA submitted a revised allocation request form for the Ortega Street Improvements [NTIP Capital] Project which updates the scope, schedule, budget and funding plan to reflect completion of design and adds construction phase details; and

WHEREAS, After reviewing the SFMTA's amendment request, Transportation Authority staff recommended amending the Prop K SGA for the Ortega Street Improvements [NTIP Capital] Project to incorporate the revised allocation request form (which also includes updated deliverables, timely use of funds requirements, and Fiscal Year Cash Flow Distribution Schedules) and releasing \$280,000 in Prop K funds held in reserve for the construction phase, as described in Attachment 6; and

WHEREAS, There are sufficient funds in the Capital Expenditures line item of the Transportation Authority's approved Fiscal Year 2024/25 budget to cover the proposed actions; and

WHEREAS, At its April 23, 2025 meeting, the Community Advisory Committee was briefed on the subject allocation requests and SGA amendment request and unanimously adopted a motion of support for the staff recommendation; now, therefore, be it

RESOLVED, That the Transportation Authority hereby amends the Prop L Prop L Safer and Complete Streets 5YPP and Neighborhood Transportation Program 5YPP, as detailed in the attached allocation request forms (Attachment 5); and be it further

**San Francisco
County Transportation
Authority**

BD051325

RESOLUTION NO. 25-46

RESOLVED, That the Transportation Authority hereby allocates \$861,500 in Prop L funds, with conditions, for two requests, as summarized in Attachment 3 and detailed in Attachment 5; and be it further

RESOLVED, That the Transportation Authority finds the allocation of these funds to be in conformance with the priorities, policies, funding levels, and prioritization methodologies established in the Prop L Expenditure Plans, the Final Prop L Strategic Plan and the relevant 5YPPs; and be it further

RESOLVED, That the Transportation Authority hereby amends the Prop K SGA for the Ortega Street Improvements [NTIP Capital] Project and releases \$280,000 in funds held in reserve for the construction phase as detailed in Attachment 6; and be it further

RESOLVED, That the Capital Improvement Program of the Congestion Management Program is hereby amended, as appropriate; and be it further

RESOLVED, That the Transportation Authority hereby authorizes the actual expenditure (cash reimbursement) of funds for these activities to take place subject to the Fiscal Year Cash Flow Distribution Schedules detailed in Attachments 5 and 6; and be it further

RESOLVED, That the Capital Expenditures line item for subsequent fiscal year annual budgets shall reflect the maximum reimbursement schedule amounts adopted and the Transportation Authority does not guarantee reimbursement levels higher than those adopted; and be it further

RESOLVED, That as a condition of this authorization for expenditure, the Executive Director shall impose such terms and conditions as are necessary for the project sponsors to comply with applicable law and adopted Transportation Authority policies and execute SGAs to that effect; and be it further

RESOLVED, That as a condition of this authorization for expenditure, the project sponsors shall provide the Transportation Authority with any other information it may request regarding the use of the funds hereby authorized.

Attachment 1: Summary of Requests Received

						Leveraging			
Source	EP Line No./ Category ¹	Project Sponsor ²	Project Name	Current Prop L Request	Total Cost for Requested Phase(s)	Expected Leveraging by EP Line ³	Actual Leveraging by Project Phase(s) ⁴	Phase(s) Requested	District(s)
Prop L	18	SFMTA	Northern Embarcadero and Jefferson Quick-Builds	\$ 744,000	\$ 744,000	83%	0%	Design, Construction	3
Prop L	25	SFMTA	District 5 Daylighting [NTP]	\$ 117,500	\$ 117,500	78%	0%	Construction	5
TOTAL				\$ 861,500	\$ 861,500				

Footnotes

¹ "EP Line No./Category" is the Prop L Expenditure Plan line number referenced in the 2023 Prop L Strategic Plan Baseline (e.g. Safer and Complete Streets and Neighborhood Transportation Program).

² Acronym: SFMTA (San Francisco Municipal Transportation Agency)

³ "Expected Leveraging By EP Line" is calculated by dividing the total non-Prop L funds expected to be available for a given Prop L Expenditure Plan line item by the total expected funding for that Prop L Expenditure Plan line item over the 30-year Expenditure Plan period. For example, expected leveraging of 90% indicates that on average non-Prop L funds should cover 90% of the total costs for all projects in that program, and Prop L should cover only 10%.

⁴ "Actual Leveraging by Project Phase" is calculated by dividing the total non-Prop L, non-Prop AA, or non-TNC Tax funds in the funding plan by the total cost for the requested phase or phases. If the percentage in the "Actual Leveraging" column is lower than in the "Expected Leveraging" column, the request (indicated by yellow highlighting) is leveraging fewer non-Prop L dollars than assumed in the Expenditure Plan. A project that is well leveraged overall may have lower-than-expected leveraging for an individual or partial phase.

Attachment 2: Brief Project Descriptions¹

EP Line No./ Category	Project Sponsor	Project Name	Prop L Funds Requested	Project Description
18	SFMTA	Northern Embarcadero and Jefferson Quick- Builds	\$ 744,000	Requested funds will fund the design and construction phases for quick-build safety projects along The Embarcadero (Bay Street to Chestnut Street) and Jefferson Street (Hyde Street to Powell Street) on the High Injury Network. Quick-build projects are comprised of reversible or adjustable traffic control, such as roadway and curb paint, signs, traffic signal timing updates, traffic lane reconfigurations, and parking and loading adjustments. Planned safety improvements include protected bikeways, turn calming treatments, and crosswalk enhancements. The quick-build project on Jefferson Street is expected to be open for use by March 2026. The Northern Embarcadero quick-build is expected to be completed by September 2027.
25	SFMTA	District 5 Daylighting [NTP]	\$ 117,500	District 5 Neighborhood Transportation Program funds will be used for daylighting at approximately 235 locations in accordance with AB 413, which prohibits vehicle parking within 20 feet of crosswalks. Daylighting is a proven safety treatment that improves visibility at intersections for people crossing the street by removing visual obstructions near crosswalks. This treatment typically involves restricting parking near intersections to create clearer sightlines, reducing the risk of collisions and enhancing overall street safety. Separately, SFMTA will also implement red curbs at intersections on the High Injury Network and at locations near school zones using previously allocated Prop L sales tax funds and TNC Tax funds. Between the previously allocated funds and the currently request, SFMTA will use Prop L funds to paint red curbs at all other intersections in District 5, making it the first fully daylit district in the City. See attached allocation request form for a map and list of locations. The project is expected to be open for use by March 2026.
TOTAL			\$861,500	

¹ See Attachment 1 for footnotes.

Attachment 3: Staff Recommendations¹

EP Line No./ Category	Project Sponsor	Project Name	Prop L Funds Recommended	Recommendations
18	SFMTA	Northern Embarcadero and Jefferson Quick-Builds	\$ 744,000	Special Condition: The recommended allocation is contingent upon amendment of the Safer and Complete Streets 5-Year Prioritization Program (5YPP) to add the subject project with funds from the Active Communities Plan Implementation placeholder. This project is included in The North Star Index of the SFMTA's Biking and Rolling Plan (formerly Active Communities Plan). The 5YPP amendment also includes a cost neutral exchange of cash flow capacity with funds programmed to Signal Upgrade Contract 66 construction to make capacity available for the subject request. Construction of Contract 66 is advancing more slowly than was anticipated at the time the funds were programmed, so this exchange will not result in delayed implementation of Contract 66. See attached 5YPP amendment for details.
25	SFMTA	District 5 Daylighting [NTP]	\$ 117,500	Special Condition: The recommended allocation is contingent upon amendment of the Neighborhood Transportation Program 5YPP to add the subject project with funds from the Neighborhood Program (NTP) Project Placeholder. See attached 5YPP amendment for details.
TOTAL			\$ 861,500	

¹ See Attachment 1 for footnotes.

Supervisory District	District 03

REQUEST

Brief Project Description

This request is for funding to implement quick-build safety improvements along The Embarcadero (Bay Street to Chestnut Street) and Jefferson Street (Hyde Street to Powell Street). Quick-Build projects are comprised of reversible or adjustable traffic control, such as roadway and curb paint, signs, traffic signal timing updates, traffic lane reconfigurations, and parking and loading adjustments. Safety improvements include protected bikeways, painted safety zones, loading zones, and more.

Detailed Scope, Project Benefits and Community Outreach

Quick-Build projects are comprised of reversible or adjustable traffic control, such as roadway and curb paint, signs, traffic signal timing updates, traffic lane reconfigurations, and parking and loading adjustments. While quick-build projects are limited in scope, they offer the opportunity to implement safety improvements more quickly than a typical design-bid-build process. Quick-build projects are primarily implemented entirely by City crews, rather than with contractors, and include paint, signs, minor signal modifications and timing updates, plastic delineators, meter placement, concrete islands, curb ramps, and minor pavement improvements.

To help expedite the delivery of safer streets, the SFMTA seeks funding to continue implementing quick-build improvements on San Francisco’s High Injury Network. The allocation request supports the implementation of the program as described below. Planned safety improvements include traffic control measures such as protected bikeways, signal modifications, painted safety zones, adjustments to parking regulations, changes to the configuration of traffic lanes, and other changes.

This program is aligned with the strong and consistent demand for immediate safety improvements on critical streets citywide, heard through the development of the Vision Zero Action Strategy and from past hearings on the Vision Zero Quick-Build program at the SFMTA Board and the Transportation Authority. The program will continue expanding on the initial work of the Vision Zero Quick-Build program to bring traffic safety improvements to high-risk areas throughout the city. Projects will be developed and implemented with strong community engagement and work that can be primarily completed by in-house SFMTA and Public Works crews.

Jefferson Street Quick-Build Project

- Extents: Hyde Street to Powell Street
- Scope: This project is a continuation of efforts to improve streets in the Fisherman's Wharf and Pier 39 area, as requested by community stakeholders, to promote Fisherman's Wharf vitality, address traffic safety concerns, connect major landmarks by filling in gaps in the active transportation network, and provide opportunities for placemaking. This project would complement and support SF Port with their efforts towards the Fisherman's Wharf revitalization project. Through this project, SFMTA staff would be working with the merchant community and SF Port to further study potential circulation, parking, and intersection improvements that support complete streets, overall traffic safety, as well as liaise with any future community-initiated street activation. Quick-build treatments to further these goals may include refreshing crosswalks, installing turn calming treatments, introducing turn restrictions, installing wayfinding, and adding bike connections from Jefferson Street to North Point Street on side streets. These treatments would be more specifically identified and evaluated for feasibility during the project's design phase.

Northern Embarcadero Quick-Build Project

- Extents: Bay Street to Chestnut Street
- Scope: The Northern Embarcadero Quick-Build Project would improve waterfront safety and access for all users between Chestnut Street and Bay Street by right-sizing the northbound travel lanes (from 3 to 2 to match the rest of the Embarcadero corridor), adding loading capacity for the busy Alcatraz Landing curb zone, improving wayfinding, and exploring other potential comfort and safety upgrades to the northern Embarcadero corridor while retaining flexibility for SF Port operations. The project would build upon prior Embarcadero Enhancement Program outreach to engage key SF Port and neighborhood stakeholders throughout the design, implementation, and evaluation phases. The project would also leverage and complement longer-term planning efforts including the SFMTA-led Embarcadero Connectivity Plan and Port of San Francisco Waterfront Resiliency Program. See attached project information for additional details.

Outreach and Engagement

- Both quick-build projects will focus on engaging small businesses, merchant community (e.g. Fisherman's Wharf CBD, Pier 39, Pier 33), advocates, and city partners (e.g. SF Port). Outreach activities would include targeted stakeholder meetings, site walks, and one-on-one discussions to address operational needs of specific businesses or properties. Project teams will maintain ongoing communication via email updates, phone calls, stakeholder meetings, and site visits to ensure feedback is incorporated into design refinements.
- Broader public outreach methods include posting public notices along project corridors, maintaining a project email subscription list, sending periodic subscription updates, sharing multilingual project materials, distributing printed factsheets, sending mailers to all addresses within the project area, promoting project milestones on social media, and tabling at neighborhood events.
- Project teams will coordinate closely with other city efforts and partner agencies, such as SF Port and SFPUC, to align timelines, share community feedback, and minimize construction impacts to the neighborhood.

Project Location

The Embarcadero from Bay Street to Chestnut Street and Jefferson Street from Hyde Street to Powell Street

Is this project in an Equity Priority Community?	Yes
Does this project benefit disadvantaged populations?	Yes

Project Phase(s)

Design Engineering (PS&E), Construction (CON)

Justification for Multi-phase Request

Multi-phase allocation is recommended given short duration design phase for the project and overlapping design and construction phases as work is conducted at various locations. Improvements are expected to move quickly from design to construction, as they do not require major street reconstruction and will be implemented by city crews and/or on-call contractors.

5YPP/STRATEGIC PLAN INFORMATION

Type of Project in the Prop L 5YPP/Prop AA Strategic Plan?	Project Drawn from Placeholder
Is requested amount greater than the amount programmed in the relevant 5YPP or Strategic Plan?	Less than or Equal to Programmed Amount
PROP L Amount	\$744,000.00

Justification for Necessary Amendment

This request includes an amendment to the Safer and Complete Streets 5YPP to program \$744,000 from the Active Communities Plan Implementation Placeholder to the subject project. To make sufficient cash flow available to meet the project schedule, SFMTA requests a cost neutral exchange that would delay cash flow programmed the Contract 66 New Traffic Signals project, while making cash flow available sooner to the subject project. Contract 66 construction is delayed slightly versus the anticipated schedule at the time of programming, so this exchange will not impact implementation of Contract 66. SFMTA considers the implementation of these two quick-build corridor projects along The Embarcadero and Jefferson Street to be in alignment with the Biking and Rolling Plan and both projects are included in the plan's North Star Index. The projects directly support the plan's core principles and policy frameworks.

Deliverables
1. Quarterly progress reports shall include detailed updated information on the scope, schedule, budget, and expenditures for each corridor, as well as project delivery updates including work performed in the prior quarter, work anticipated to be performed in the upcoming quarter, and any issues that may impact delivery. SFMTA will report on number of intersections, locations, and treatments per location.
2. SFMTA shall provide regular project evaluation updates. Publication of project evaluations via SFMTA's Safe Streets Evaluation program will be accepted to fulfill this deliverable, so long as the corridors included in this request are addressed.
3. Upon completion, Sponsor shall provide evidence of completion of 100% design (e.g., copy of certifications page or copy of work order).

Special Conditions
1. The recommended allocation is contingent upon amendment of the Safer and Complete Streets 5YPP to add the subject project with funds from the Active Communities Plan Implementation placeholder and a cost neutral exchange of cash flow capacity with funds programmed to Signal Upgrade Contract 66 construction to make capacity available for the subject request. See attached 5YPP amendment for details.

Embarcadero Enhancement Program

Northern Embarcadero

Proposed Project Summary

- **Top 311 complaint location** regarding blocked bike lanes (pre-pandemic data)
- Add protection for the **northbound bike lane** between Chestnut and Bay streets
 - *Closes an important gap from Pier 27 toward Fisherman's Wharf*
- Formalize and **improve loading** safety and accessibility at Alcatraz Landing
- Right-size the vehicle travel lanes (from 3 to 2) to **match rest of corridor**
 - *No significant travel time delay is expected due to relatively low traffic volumes*
- **Proposed funding request** in fall 2024 via SFMTA's Vision Zero Quick-Build Program
- **Re-engage Port tenants** and stakeholders in 2025 for potential implementation in 2025/2026.

A quick-build project for Northern Embarcadero would focus on improving safety where there is high vehicle loading demand

Embarcadero Enhancement Program

Northern Embarcadero Quick-Build

Pier 27 to Pier 29

Existing Conditions

- A third northbound (NB) vehicle lane picks up within the intersection of Sansome/Chestnut and becomes two left-turn lanes and two through-lanes at Bay St
- NB daily traffic volume is ~11,000 vehicles per day (October 2023 data)
- Extra lane is not well utilized and invites speeding: prevailing speeds are 33mph (over the speed limit)

Proposed Conditions

The project would maintain two existing NB travel lanes and repurpose the third (excess) travel lane as a protected bikeway and improved loading zone at Alcatraz Landing. NB vehicle movements at Sansome would not be affected.

Embarcadero Enhancement Program

Northern Embarcadero Quick Build

Bay Street Approach

Existing Conditions (NB)

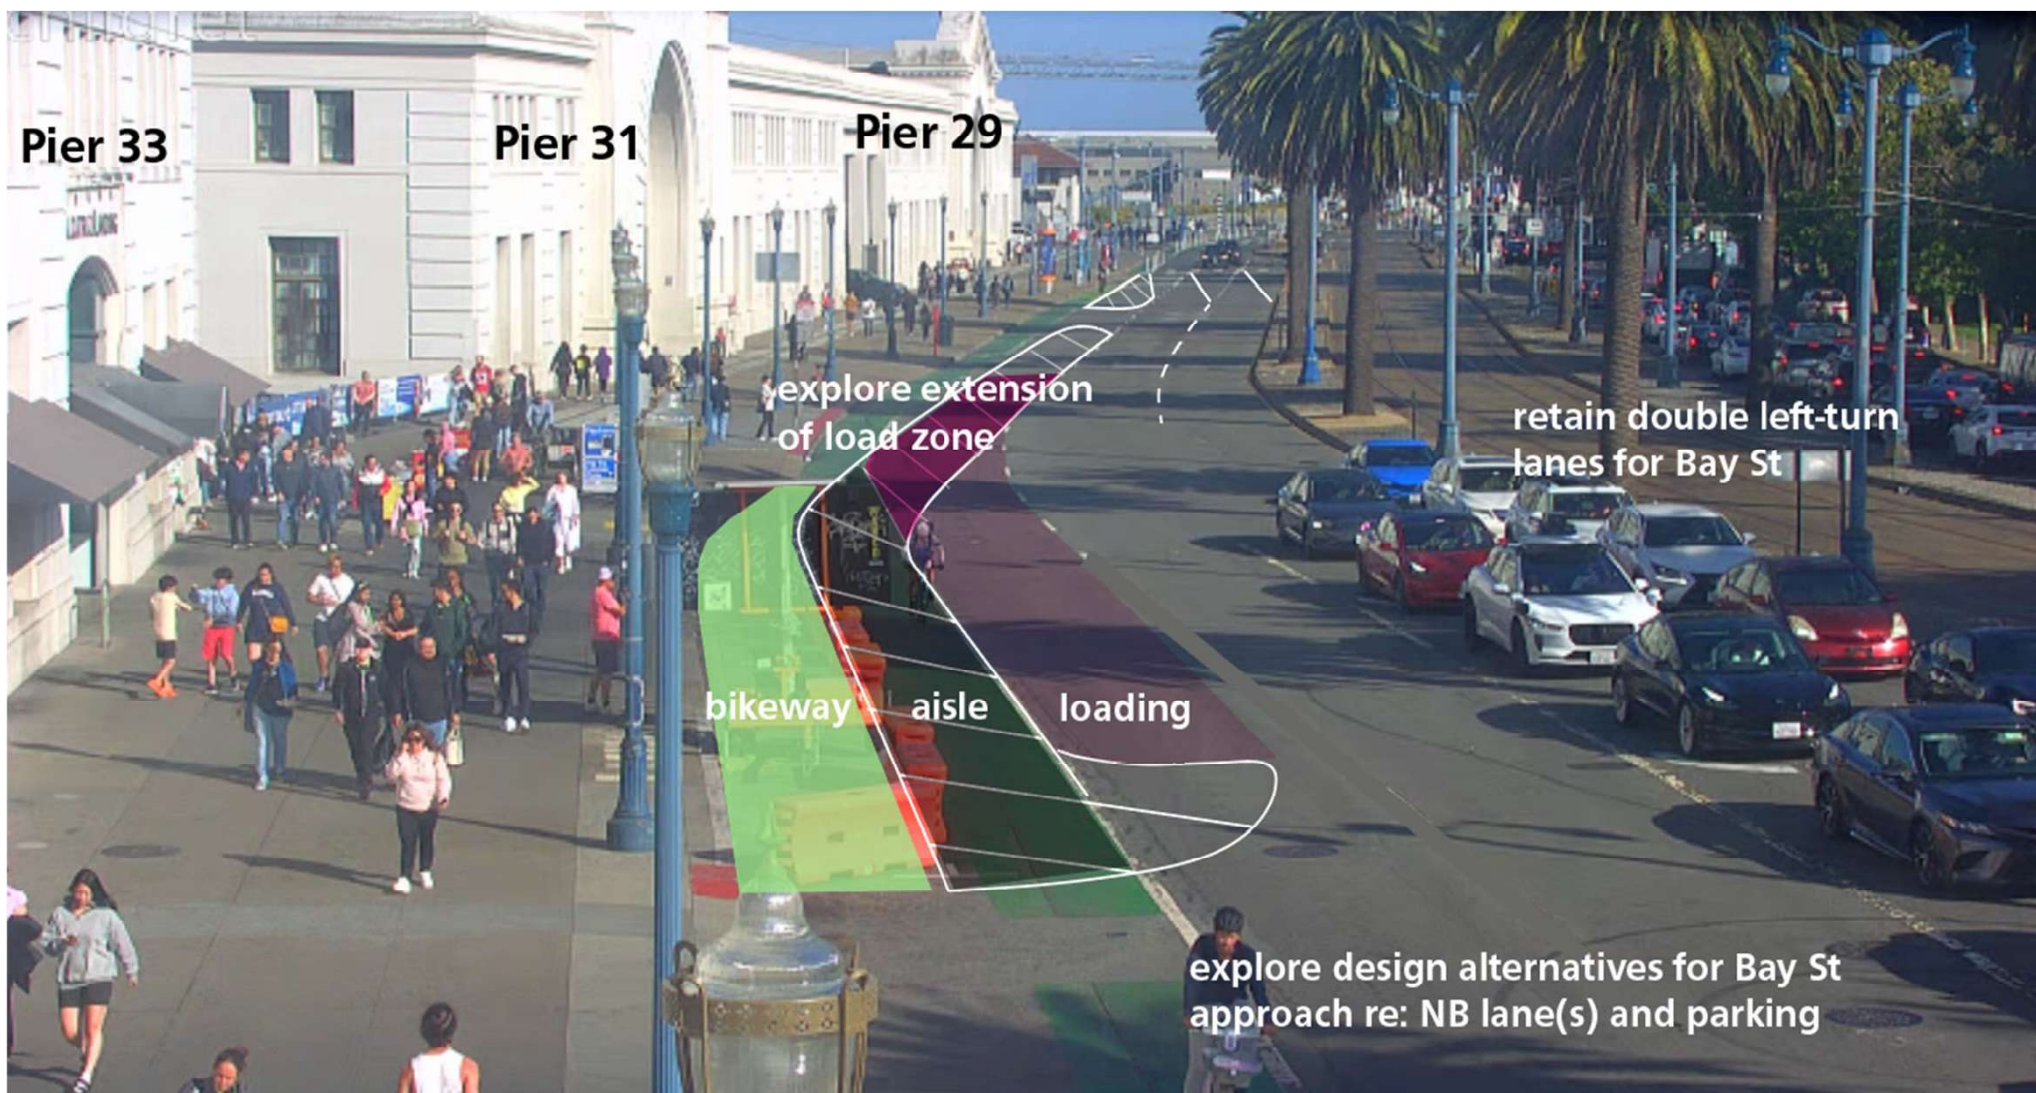

- Two left-turn lanes and two through-lanes at Bay Street
- Approx. 650 vehicles approaching Bay Street in peak hour with 2-in-3 vehicles turning left onto Bay Street (September 2023 data)

Proposed Conditions (NB)

- Maintain two left-turn lanes
- Explore design alternatives that maintain two northbound travel lanes throughout
 - May require added restrictions for/loss of up to five metered parking spaces
- Explore design alternative with **two receiving NB lanes** and one approach lane
 - Should not result in substantial travel delay given relatively low volumes
 - Maintains better curb access at Pier 33
- Explore tweaks to previous Pier 35 quick-build if there is consensus on a better design

Embarcadero Enhancement Program Northern Embarcadero Quick Build

Alcatraz Landing Load Zone

FOOTNOTES:

- ¹ 5YPP amendment to fund Golden Gate Greenway (Tenderloin) with \$140,000 in FY23/24 for design (Resolution 2024-041, 5/21/2024):
 Slow Streets Implementation: Reduced from \$200,000 to \$0 in Fiscal Year 2023/24 for design and increased from \$0 to \$200,000 in FY24/25 for design.
 Golden Gate Greenway (Tenderloin): Reduced from \$1,000,000 to \$960,000 in FY2024/25 for construction.
 Golden Gate Greenway (Tenderloin): Increased from \$100,000 to \$140,000 in FY2023/24 for design.
- ² 5YPP amendment to fund School Traffic Calming Program with \$220,000 in FY23/24 for planning and update cash flow in School Traffic Calming Program construction in FY23/24 (Resolution 2024-046, 6/25/2024):
 School Traffic Calming, FY23/24 Design: Reduced from \$220,000 to \$0 in FY23/24.
 School Traffic Calming, FY23/24 Planning: Added project with \$220,000 in FY23/24. Delayed \$30,000 cash flow from FY24/25 to FY25/26.
 School Traffic Calming, FY23/24 Construction: Advanced \$30,000 in FY24/25 cash flow and reduced FY25/26 cash flow from \$700,000 to \$670,000.
- ³ 5YPP amendment to fund District 4 Street Improvements (Resolution 2025-015, 10/22/2024)
 District 4 Street Improvements: Reduced placeholder FY23/24 programming line from \$700,000 to \$268,000
 District 4 Street Improvements - Kirkham Street: Added project in FY24/25 programming line for \$352,000 for construction
 District 4 Street Improvements - 41st Avenue: Added project in FY24/25 programming line for \$80,000 for design
- ⁴ 5YPP amendment to fund 13th Street Safety Project (Resolution 2025-021, 11/19/2024)
 Active Communities Plan Implementation (FY25): Reduced from \$4,350,000 to \$2,000,000 in FY2024/25
 13th Street Safety Project: Added project with \$2,350,000 in FY2024/25 for construction.
- ⁵ 5YPP amendment to fund Northern Embarcadero and Jefferson Quick-Builds (Resolution 2025-0xx, 5/25/2025)
 Active Communities Plan Implementation (FY25): Reduced programming from \$2,000,000 to \$1,256,000 in FY2024/25.
 Northern Embarcadero and Jefferson Quick-Builds: Added project in FY2024/25 with \$744,000 in programming (\$284,000 design, \$460,000 construction). Cash flow capacity made available through a cost-neutral cash flow exchange with Contract 66 New Traffic Signals and Active Communities Plan Implementation FY25 and FY26 placeholders as described below:
 Contract 66 New Traffic Signals: Reduced cash flow from \$1,100,000 to \$356,000 in FY 2024/25 and increased from \$0 to \$744,000 in FY 2027/28.
 Active Communities Plan Implementation (FY26): Reduced cash flow from \$750,000 to \$6,000 in FY2027/28; increased from \$1,000,000 to \$1,744,000 in FY2028/29.
 Active Communities Plan Implementation (FY25): Increased cash flow from \$0 to \$744,000 in FY2027/28; reduced from \$1,000,000 to \$256,000 in FY2028/29.

San Francisco County Transportation Authority

Allocation Request Form

FY of Allocation Action:	FY2024/25
Project Name:	District 5 Daylighting [NTP]
Primary Sponsor:	San Francisco Municipal Transportation Agency

EXPENDITURE PLAN INFORMATION

PROP L Expenditure Plans	Neighborhood Transportation Program
Current PROP L Request:	\$117,500
Supervisory District	District 05

REQUEST

Brief Project Description

The SFMTA requests Prop L funds for daylighting at approximately 235 intersections in District 5, in accordance with Assembly Bill 413, which prohibits vehicle parking within 20 feet of crosswalks. Daylighting is a proven safety treatment that improves visibility at intersections for people crossing the street. Neighborhood Program funds would enable District 5 to become the first fully daylit district in the City.

Detailed Scope, Project Benefits and Community Outreach

The SFMTA requests District 5 Neighborhood Program funds to paint curbs red in accordance with AB 413, which prohibits vehicle parking within 20 feet of crosswalks. Daylighting is a proven safety treatment that improves visibility at intersections for people crossing the street by removing visual obstructions near crosswalks. This treatment typically involves restricting parking near intersections to create clearer sightlines, reducing the risk of collisions and enhancing overall street safety. SFMTA will implement red curbs at intersections on the High Injury Network (Phase 1) and at locations near school zones (Phase 2) using previously allocated Prop L sales tax funds and TNC Tax funds. SFMTA will use requested Prop L funds to paint red curbs at all other intersections in District 5 (Phase 3), making it the first fully daylit district in San Francisco.

District 5 has the smallest number of intersections in Phase 3, with only 235 intersections requiring daylighting with red paint. The SFMTA would prioritize these locations in District 5, with enhanced outreach to business corridors and neighbors.

The Transportation Authority’s Neighborhood Transportation Program (NTP) is intended to strengthen project pipelines and advance the delivery of community-supported neighborhood-scale projects, especially in Equity Priority Communities and other neighborhoods with high unmet needs.

Project Location

Various intersections within District 5

Is this project in an Equity Priority Community?	Yes
Does this project benefit disadvantaged populations?	Yes

Project Phase(s)

Construction (CON)

5YPP/STRATEGIC PLAN INFORMATION

Type of Project in the Prop L 5YPP/Prop AA Strategic Plan?	Project Drawn from Placeholder
Is requested amount greater than the amount programmed in the relevant 5YPP or Strategic Plan?	Less than or Equal to Programmed Amount
PROP L Amount	\$117,500.00

Justification for Necessary Amendment

Funding this request requires reducing programmed NTP placeholder funds by \$117,500.

Deliverables

1. Quarterly progress reports (QPRs) shall include % complete to date, photos of work being performed, upcoming project milestones (e.g. ground-breaking, ribbon-cutting), and delivery updates including work performed in the prior quarter, work anticipated to be performed in the upcoming quarter, and any issues that may impact delivery, in addition to all other requirements described in the Standard Grant Agreement.
2. With the first QPR (due July 31, 2025) Sponsor shall provide 2-3 photos of typical before conditions; with the first quarterly report following initiation of fieldwork Sponsor shall provide a photo documenting compliance with the Prop L attribution requirements as described in the SGA; and on completion of the project Sponsor shall provide 2-3 photos of completed work.

Special Conditions

1. The recommended allocation is contingent upon amendment of the Neighborhood Transportation Program 5YPP to add the subject project with funds from the Neighborhood Program (NTP) Project Placeholder. See attached 5YPP amendment for details.

Supervisory District	District 04

REQUEST

Brief Project Description

This project will construct traffic calming street improvements on Ortega Street between 19th Avenue and 47th Avenue. These improvements will create a priority pedestrian and bicycle route on a neighborhood street. Various traffic calming features are included in the project to improve traffic safety, comfort and calmness, and make the local street more inviting for neighborhood scale travel by walking and bicycling.

Detailed Scope, Project Benefits and Community Outreach

In March 2023, through approval of Resolution 23-37 (Standard Grant Agreement 139-907171), the Transportation Authority allocated \$50,000 in sales tax funds, with conditions, to SFMTA for the design phase of the Ortega Street Improvements project and put \$280,000 on reserve for the construction phase. The resolution specified that the construction funds may be released by the Transportation Authority Board following completion of design, SFMTA Board adoption of the project, and submittal of an updated Allocation Request Form including the proposed scope, schedule, cost, and funding plan for the proposed recommendations to be implemented with Prop K sales tax funds. SFMTA staff has completed the aforementioned actions and is requesting release of the construction funds for the Ortega Street Improvements project as described in the Scope section below.

Scope

Implementation of traffic calming street improvements on Ortega Street between 19th Avenue and 47th Avenue will create a priority pedestrian and bicycle route on a neighborhood street. Various traffic calming features are included in the project to improve traffic safety, comfort and calmness, and make the local street more inviting for neighborhood scale travel by walking and bicycling.

Over the last several years, SFMTA staff engaged in a planning and concept design process to improve Ortega Street. In coordination with community members in the Sunset neighborhood, such as schools and residents on and around Ortega Street, SFMTA staff developed a design for Ortega Street. The project team also coordinated with other stakeholders like the San Francisco Fire Department and the District 4 Supervisor's office to ensure that they were aware of project progress and supported the outreach and design process.

After completion of the conceptual design and environmental approval, staff received legislative approval in summer 2024 for the project. The final approved design includes the below elements (also see attached map):

- Speed cushions on Ortega Street between: 22nd Avenue and 23rd Avenue, 23rd Avenue and 24th Avenue, 28th Avenue and 29th Avenue, 29th Avenue and 30th Avenue, 30th Avenue and 31st Avenue, 31st Avenue and 32nd Avenue, 35th Avenue and 36th Avenue, 39th Avenue and 40th Avenue, and 40th Avenue and 41st Avenue
- A raised crosswalk on the west leg of Ortega and 37th Avenue
- Intersection daylighting at all intersections in the project area
- Installation or upgrade of crosswalks at 15 intersections in the project area to continental crosswalks
- Conversion of existing two-way stop-controlled intersections to four-way stop-controlled intersections on Ortega Street at 33rd and 34th avenues
- Painted safety zones at the intersection of Ortega Street at 40th Avenue on the northeast corner

Following legislative approval, project staff proceeded to detailed design, working with SF Public Works. City forces will construct the traffic calming devices on Ortega Street

Schedule Update

The schedule has been revised from the original request to reflect what happened during detailed design and the overall project delivery process. The project was delayed due to longer than expected review by SF Fire Department and development of a new speed cushion design detail. A new speed cushion design was developed to improve the experience for bicyclists based on feedback from community members. These two tasks created additional delay, which delayed the planned construction start date. All of these issues encountered during project delivery and detailed design phase, have been documented in quarterly reports.

Request for Policy Waiver to Allow Retroactive Reimbursement of Construction Costs

The recommended amendment is contingent upon a waiver of Prop L policy prohibiting reimbursement of construction costs incurred prior to release of construction funds by the Transportation Authority Board. SFMTA started the construction phase in September 2024, prior to Board approval to release the construction funds. At this time, construction is nearly 75% complete and SFMTA anticipates the project will be done by July 2025.

The Transportation Authority's Neighborhood Program (NTIP) is intended to strengthen project pipelines and advance the delivery of community-supported neighborhood-scale projects. Commissioner Engardio has expressed support for using \$330,000 in District 4 NTIP funds for this project.

FUNDING PLAN - ENTIRE PROJECT (ALL PHASES)

Fund Source	Planned	Programmed	Allocated	Project Total
PROP K	\$0	\$0	\$280,000	\$280,000
Prop K	\$0	\$0	\$50,000	\$50,000
Funding Plan for Entire Project Total:	\$0	\$0	\$330,000	\$330,000

COST SUMMARY

Phase	Total Cost	PROP L - Current Request	Source of Cost Estimate
Planning/Conceptual Engineering	\$0		
Environmental Studies	\$0		
Right of Way	\$0		
Design Engineering	\$50,000		Based on prior similar work
Construction	\$280,000	\$280,000	Based on prior similar work
Operations	\$0		
Total:	\$330,000	\$280,000	

% Complete of Design:	100.0%
As of Date:	06/21/2024
Expected Useful Life:	30 Years

San Francisco County Transportation Authority

MAJOR LINE ITEM BUDGET

SUMMARY BY MAJOR LINE ITEM (BY AGENCY LABOR BY TASK)				
Budget Line Item	Totals	% of Task Total	SFPW	SFMTA
1. Design Implementation				
Task 1: Speed cushions and raised crosswalk	\$ 98,000	50%	\$ 85,750.00	\$ 12,250.00
Task 2: New or refreshed crosswalks	\$ 37,240	19%		\$ 37,240.00
Task 3: New or refreshed red zones (daylighting)	\$ 43,120	22%		\$ 43,120.00
Task 4: Khaki paint (painted safety zone)	\$ 3,920	2%		\$ 3,920.00
Task 5: Safe hit posts (painted safety zone)	\$ 3,920	2%		\$ 3,920.00
Task 6: Paint and signs	\$ 9,800	5%		\$ 9,800.00
Subtotal	\$ 196,000	100%		
3. Construction Management/Support	\$ 74,200	38%	\$ 34,132.00	\$ 40,068.00
4. Other Direct Costs *	\$ -			
5. Contingency	\$ 9,800	5%	\$ 4,900.00	\$ 4,900.00
TOTAL CONSTRUCTION PHASE	\$ 280,000		\$ 124,782.00	\$ 155,218.00

San Francisco County Transportation Authority Allocation Request Form

FY of Allocation Action:	FY2022/23
Project Name:	Ortega Street Improvements [NTIP Capital] (Amendment)
Primary Sponsor:	San Francisco Municipal Transportation Agency

SFCTA RECOMMENDATION

Resolution Number:		Resolution Date:	
Total PROP L Requested:	\$280,000	Total PROP L Recommended	\$280,000

SGA Project Number:	139-907171	Name:	Ortega Street Improvements [NTIP Capital]
Sponsor:	San Francisco Municipal Transportation Agency	Expiration Date:	09/30/2026
Phase:	Construction	Fundshare:	100.0%

Cash Flow Distribution Schedule by Fiscal Year

Fund Source	FY2024/25	FY2025/26	Total
PROP K	\$200,000	\$80,000	\$280,000

Deliverables

1. Quarterly progress reports (QPRs) shall include % complete to date, photos of work being performed, improvements completed to date, upcoming project milestones (e.g. ground-breaking, ribbon-cutting), and delivery updates including work performed in the prior quarter, work anticipated to be performed in the upcoming quarter, and any issues that may impact delivery, in addition to all other requirements described in the Standard Grant Agreement.

2. Within 30 days of execution of the SGA Sponsor shall provide a photo documenting compliance with the Prop K attribution requirements as described in the SGA; and upon completion of the project Sponsor shall provide 2-3 photos of underway and completed work.

Special Conditions

1. The recommended amendment is contingent upon SFCTA Board release of \$280,000 in sales tax funds previously set aside for construction of the subject project through approval of Resolution 23-37.

2. The recommended amendment is contingent upon a waiver of Prop L policy prohibiting reimbursement of construction costs incurred prior to release of construction funds by the Transportation Authority Board.

Notes

1. Progress reports will be shared with the District 4 Commissioner.

Metric	PROP AA	TNC TAX	PROP L
Actual Leveraging - Current Request	No PROP AA	No TNC TAX	0.0%
Actual Leveraging - This Project	No PROP AA	No TNC TAX	15.15%
