Statement of qualifications:

My name is Sean Kim, owner of Joe’s Ice Cream located at 18th Avenue and Geary Boulevard, and Vice President of the Geary Boulevard Merchants Association. I have been a proud resident and small business owner in the Central Richmond District since 2012. As a father of three children who have all relied on MUNI for commuting to school, I understand firsthand the critical role of public transportation in supporting families and the broader community. I personally enjoy using MUNI to attend meetings and participate in local events and entertainment.

Originally from Seoul, South Korea, I come from a culture where public transportation is an essential and highly valued part of daily life. Since November 2021, I have had the privilege of serving as a member of the Geary Improvement Project Community Advisory Committee (CAC). More recently, I joined the San Francisco Public Utilities Commission (SFPUC) Working Group in January 2025. Through these roles, I have remained deeply engaged in district matters related to transportation, public safety, infrastructure, and the impact of city construction on small businesses.

I am committed to continuing my advocacy for small business owners, families, seniors, and immigrants, ensuring that our community’s voice is heard in the shaping of San Francisco’s future.

Statement of objectives:

If appointed, I am committed to representing the voices of families with children, seniors, and small business owners. San Francisco is one of the major metropolitan areas with the lowest percentage of residents under the age of 18. It is essential that the City make a concerted effort to include the perspectives of families and seniors in its planning and decision-making processes.

I believe that the City's transportation system is one of the most critical tools to help families and seniors not only navigate San Francisco, but also to grow, thrive, and remain a part of our vibrant community. As a small business owner, I also recognize the need for businesses to be better informed and prepared to adapt to City policies, and I am dedicated to serving as a bridge between small businesses and City agencies.

Furthermore, I am particularly eager to amplify the voices of the Asian community, which has historically been underrepresented within the CTA CAC. I believe their experiences, needs, and contributions must be more fully reflected in the City's transportation planning and policies.
