

I-280 Ocean Avenue Southbound Off-Ramp Project – Professional Services Contract Amendment to Mark Thomas & Company

**San Francisco
County Transportation
Authority**

Community Advisory Committee — Agenda Item 9
November 19, 2025

I-280 Ocean Avenue Southbound Off-Ramp

Design Contract

- Mark Thomas & Company was awarded 2-year professional services contract in an amount not to exceed \$1,850,000 for design and engineering services in May of 2022.
- The Transportation Authority amended the contract in July 2025 for an additional \$54,250 for community outreach.
- Design plans submitted to Caltrans and City departments for review in Summer 2025.
- Seeking amendment to complete final design and bid documents, inclusive of state and city comments.

Amendment Scope and Budget

Task	Scope	Consultant Cost
1	Project Management	\$35,000
2	Final Bid Documents and Encroachment Permits	\$140,000
3	Utility Coordination and Potholing	\$57,000
4	Additional Easement and Right Of Way Acquisition	\$45,000
5	Construction Cost Estimate and Funding Strategy	\$23,000
	Total	\$300,000

Final Design Contract Amendment

- Increase Mark Thomas & Company's contract by \$300,000 to complete design phase
 - respond to Caltrans and City agency comments to finalize design plans
 - prepare final bid documents
 - perform utility potholing in advance of construction
 - coordinate on right-of-way issue with City College
- Timeline: January 2026 – Fall 2026
- Contract Amendment is contingent upon approval of Prop L appropriation (see prior agenda item)

Thank you.
