

Octavia Improvements Study Amendment

San Francisco
County Transportation
Authority

Transportation Authority Board - Agenda Item 6
February 10, 2026

Background

1999: SF Voters pass Prop I

- Designated the use of proceeds from the sales and/or disposition of former Central Freeway parcels to build Octavia Boulevard and to use any remaining revenues for transportation improvements to corridors on or ancillary to Octavia Boulevard.
- Revenues are subject to Article XIX of the CA Constitution – must be used for eligible transportation uses
- Designated SFCTA to prioritize transportation improvements to be funded, with guidance from the Central Freeway CAC

Octavia Improvements Study (2023)
