

Amend the Prop K Grant Agreement for the District 2 Safety Study and Implementation Project and Release \$430,000 on Reserve to Implement Study Recommendations

San Francisco
County Transportation
Authority

Transportation Authority Board - Agenda Item 6
June 09, 2026

Background

- In 2023, the Transportation Authority:
 - Allocated \$270,000 in Prop K Neighborhood Program funds to SFMTA and SFCTA to conduct the District 2 Safety Study (Study) and
 - Placed \$430,000 in Prop K funds on reserve for SFMTA to implement Study recommendations following Board adoption and submittal of project details
- The Board adopted the Study in March 2026

District 2 Safety Study

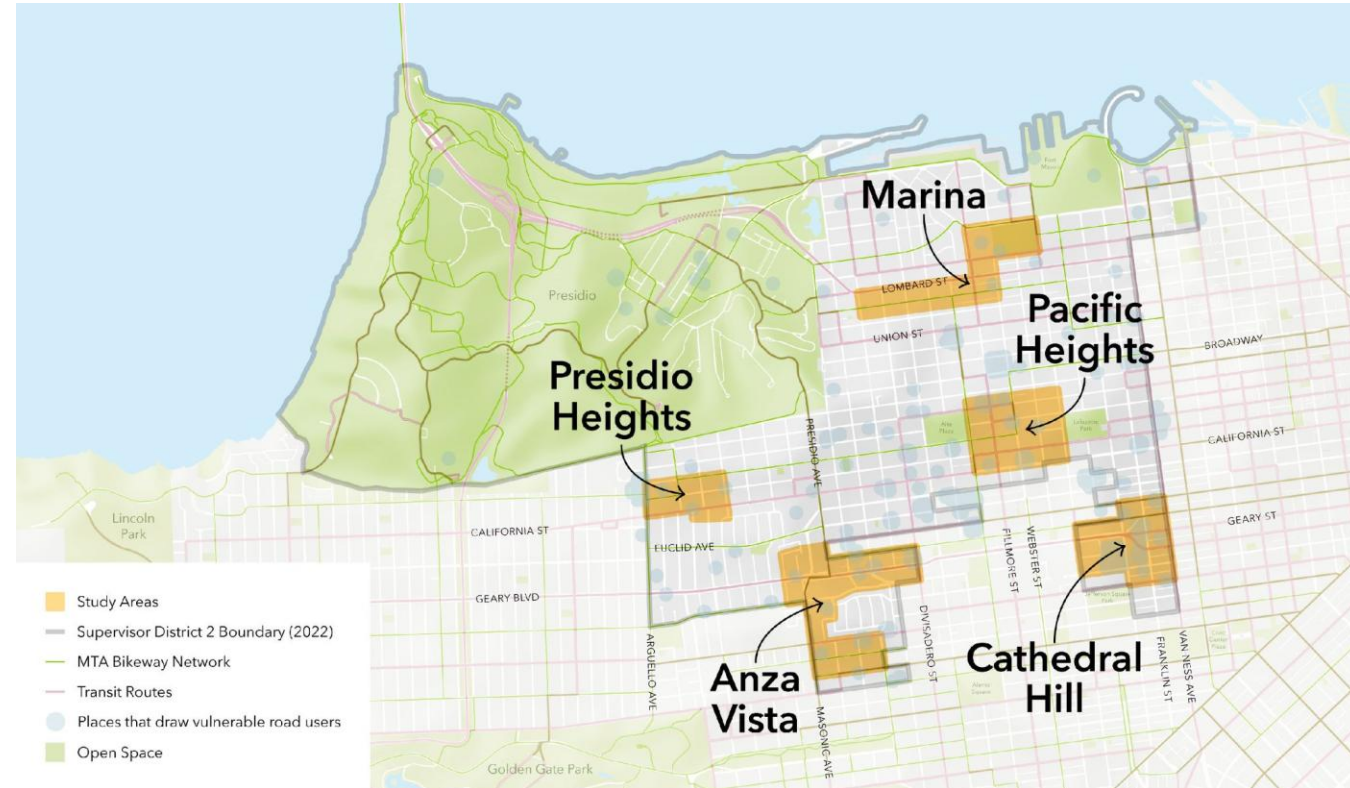

Study Overview

Project Goal

Improve safety and access to places in District 2 that attract vulnerable road users (e.g., children, seniors, and people with disabilities)

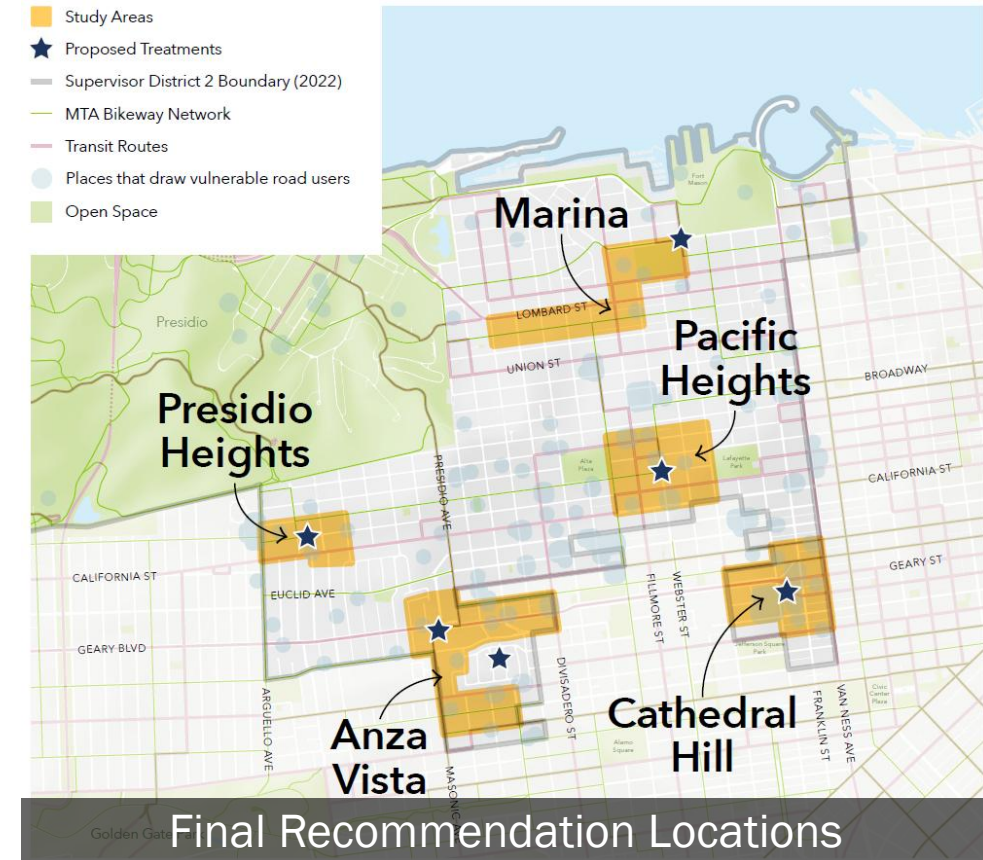

Outcomes

- Recommend context-specific safety improvements
- Design and implement selected quick-build improvements

Final Recommendations

STUDY AREA	LOCATION	RECOMMENDATION
Marina	Bay Street / Laguna Street	Pedestrian and Cyclist Safety
Pacific Heights	Clay Street / Webster Street	Color Curb Changes Traffic Calming
	Washington Street, Laguna Street	
Anza Vista	Geary / Masonic	Traffic Calming Pedestrian and Cyclist Safety
	Anza Vista residential area	
Presidio Heights	TBD	Secure Bike Parking
